H, G & C

Come support Hudson Raider Hockey on Friday September 25th, 2020 at Kilkarney Hills Golf Course in River Falls, WI.

The golf tournament fundraiser helps hockey players of all ages (4 through High School) boys and girls. The money raised helps with registration cost, bus fees, and equipment purchased at the High School level to name a few.

Check In/Registration will begin at 9:00 AM with a Shotgun Start at 10:30 AM.

Your registration fee of \$125 includes Greens Fees, Cart, on-course Lunch, Range Balls, and Apps/Social Hour immediately following the golfing activities.

Early Bird Registration rate of \$100 per golfer is available until Midnight August 25th, 2020.

There will be several games on the course including Men's & Women's Long Drive, Closest to the Pin, Longest Putt, and a 50/50 Raffle.

Of course, we would love to see you on the course, but you don't have to golf to support HHA! You can support Hudson Hockey by attending the Apps/Social Hour immediately following the days' golfing. The Apps/Social Hour option can be purchased separately for \$25 per person.

If you or your company would like to look at one of our Sponsorship opportunities or donate to our prizes; or to learn about volunteering, please contact carrie.jilek@medhub.com for more information on how you can get involved.

Don't forget to Pre-purchase your Raffle tickets and Mulligans!!!

Thank You to the Girls Varsity team! They held a skate night with the younger girls and they had a great time. They put together an obstacle course, played games and did a mini scrimmage!

Try Out Fees

Do you ever wonder why you get charged for tryouts and what exactly the fees cover? For starters, it is an additional expense charged to players because it is an optional add-on, meaning not everyone participates in tryouts and at certain levels tryouts are not even available. When completing the annual registration fee analysis, tryouts are excluded for this reason and is treated as an add-on feature. In FY20, HHA collected \$7,500.00 in registration fees. While the actual expenses vary slightly year over year, on average as shown in the chart below, 40% of fees cover ice rental expense, 38% for 3rd party goalie tryout assistance, 15% covers 3rd party (non-parent) evaluator expenses, and 7% covers miscellaneous tryout expenses. Miscellaneous items typically include food for volunteers, signage, and various equipment needs. Should you have any additional questions regarding tryout fees, please contact Mitch Kullman, Vice President Support of Hockey Operations or Anthony Aderhold, Treasurer.
