

2021-2022 SEASON TRAVEL TRYOUTS

This registration will allow you to provide contact information, sign consents and submit payment. Please read each page carefully to ensure that all information is entered accurately. To complete registration through our secure site, please have your Visa, MasterCard, Discover, or checking account information available. If you fail to pay in full prior to tryouts your child will **not** be allowed on the ice for evaluations.

ONLINE REGISTRATION

Registration is completed using our online registration system, SportsEngine, which allows us to track all participants and ensure they are registered for the proper level. It also verifies the player has a valid and current USA Hockey number. For that reason, all players must register online. There are no exceptions.

* BYHC requires each participant to provide a USA Hockey number for Tryout Registration.

General Tryout Guidelines

It is in the player's best interest to attend all of the tryout sessions to ensure the independent evaluators get the most accurate assessment of each player.

If you have a schedule conflict, please register anyway, and advise our Hockey Director, Boe Leslie.

A player's prior experience, level and/or club affiliation, are not a guarantee that a spot will be held. Likewise, payment of the full season fee in advance of tryouts is not a guarantee that a spot will be held.

In efforts to field the most competitive teams possible, a full roster may not be selected immediately, and supplemental tryouts may be held to determine final placements.

Full equipment is required including mouth guards.

Tryout jerseys will be supplied.

2021 TRAVEL TEAM TRYOUT AND DEPOSIT POLICY

Players must be registered online by 7:00pm Tuesday, May 18th. Parents will complete the Tryout REGISTRATION, which includes:

2021-2022 USA Hockey number submission.

All waivers.

\$100 non-refundable Tryout Fee.

FIRST TIME USERS

Since this is your first time using this system, you must create a User ID and Password and then activate your profile for the system to work. Please note this is a two-step process!

Once you have activated your User ID, you can begin your registration by clicking the "Continue" button below.

Tryout fees are based on the number of evaluation pre tryout and tryout sessions offered for each player.

Post Tryout Roster Announcements

Players will be given a tryout jersey to wear during all tryout sessions. Jersey colors and numbers of those chosen for a team will be posted on the website at approximately the end of business Friday, May 28th. Players not selected to a team will be contacted by the Hockey Director or a member of his tryout staff.

Please **DO NOT** contact the Hockey Director or members of the Board of Directors about player team placements for at least 24 hours following the posting of rosters.

In efforts to field the most competitive teams possible in some cases, a full roster may not be selected immediately.

Team Registration

Players offered a position on a team have 48 hours to respond and notify the club whether they are accepting the position offered. If a player does not respond within 48 hours, the Hockey Director may assume the player has declined the offer and has decided not to play travel hockey for BYHC. Once a player accepts a position on a BYHC travel team, the player is also accepting full financial responsibility for the season registration fee and any associated team fees.

An initial non-refundable deposit payment of \$500 towards the season fees are due within 48 hours of accepting a position on a travel team. A player can choose to pay the full season fee at that time or set up payment plan in the registration system. Season registration fees are non-refundable-after accepting a position on a travel team, if a player then decides not to remain with the team, the player is still financially obligated for any remaining unpaid balance due on the season fee.
