 - Locker room will need to confirm the locker room is in good condition when we are done with it. Rink can charge us \$25 if the room is damaged or dirty. \$25 will be charged to the individual teams.
 - Cell phones can not be out and being used while in the locker room.
 - Cell phones allowed for music in the locker room

Oregon Hockey Development Philosophy Poster

- Larry discussing poster and the new hockey development philosophy.

- Coaches will meet with Larry to coach kids to be better kids and hockey players. Work on skills, over systems at the younger age groups.
- Teach skills in the right order
- Players need to learn to think while on the ice, and not commit to a structured system.
- Coaches need to be positive and should not be yelling when communicating with players.
- Priority should not be able winning, if proper skill development starts at the younger ages the winning should come.

Evaluations

- HS Staff will be in the balcony evaluating kids, coaches at that age level will run the on-ice practice.
- Coaches could be pulled in if there is a bubble discussion.
- Team placement questions can go to Larry to discuss any questions.
