

### **Biography for Sean McClain:**

McClain began fencing under Coach Gerard Lu, a four-time U.S. National Foil Champion and went on to become one of just three U.S. fencers ever to win National titles in both foil and epee, taking gold in epee in 1994 and in foil in 2001.

McClain represented the United States at the 1995 Senior World Championships and won silver with Team USA at the 1995 Pan American Games. In that same year, McClain won the NCAA title for Stanford.

A successful junior fencer, McClain holds eight U19 or Junior Olympic titles sweeping the junior and cadet foil titles in 1991 and adding the cadet epee title as well. Fencing four events, his only Junior Olympic bout loss that year came in epee when he took bronze.
