

2022-23 NCAA Womens Basketball Test

1	Team A is wearing pink uniforms with white and black fabric trim around the neck and arm openings. A1, A2, and A3 are wearing white undershirts. The officials:	Assess one administrative technical foul to Team A and permit the players to play.	Assess three administrative technical fouls to team A and permit the players to play.	Do not permit the players to play until the situation is corrected.				
2	When a player loses a contact, they may only look for the lost contact for a one minute unless a team calls a timeout to continue to look for the contact during the timeout period. Is this true?	Yes	No					
3	Near the end of the quarter when the game clock or shot clock is near five seconds, the C official will communicate with partners by signaling with the hand-on-chest signal they are taking responsibility for the last second shot in each quarter. Is this correct?	Yes	No					
4	A ball that touches the front face or edges of the backboard is treated the same as touching the floor inbounds, except that, when the ball touches the thrower's backboard, it does not constitute a part of a dribble. Is this correct?	Yes	No					
5	At the end of a quarter when try is released and is successful, the official will sound their whistle, followed by the proper signal counting the basket using only the goal-counts signal for a two-point goal or the successful three-point signal and use the end-of-quarter signal after the goal-counts signal.	Yes	No					
6	The first or only free-throw violation by the offense causes the ball to become dead immediately. Is this correct?	Yes	No					

7	If the ball goes through the basket before or after an offensive foul, the goal shall not be counted. Is this correct?	Yes	No					
8	During a timeout, when the warning horn sounds, the non-administering officials will move from their spots toward the nearest team huddle, maintaining a distance of 10-15 feet away with each official raising their index finger and verbalizing "first horn." When either team is not ready to play following the sounding of the final horn, the officials will wait patiently until they are ready. Is this correct?	Yes	No					
9	The proper sequence for calling a foul includes the official sounding the whistle with one blast only and then raising one hand, fist clenched, above head to stop the clock. Is this correct?	Yes	No					
10	While A1's try is in flight, A2 commits a personal foul against B2. The try is successful. Team B is not in the bonus. From what location will Team B's awarded throw-in be made?	From the out-of-bounds spot nearest to the location of the foul.	From any point outside the end line.					
11	It is permissible for the game-clock and shot-clock operator to be the same person. Is this correct?	Yes	No					
12	A ball in flight from a pass has the same relationship to frontcourt or backcourt, or inbounds or out of bounds, as when it last touched a person or the floor. Is this correct?	Yes	No					
13	What is the correct throw-in spot when there is a double foul?	Out of bounds spot nearest to the location of the double foul.	Out of bounds at the one of the four spots nearest to the location of the double foul.	Out of bounds spot nearest to the location of the ball.				

14	When replay is used to determine whether a goal shall count or be canceled during a play when a foul is committed by or against a teammate of the shooter, the foul occurs when the illegal contact is observed and not when the official signals the foul. Is this correct?	Yes	No					
15	Regarding correctable errors, the play sequence for correcting an error is the same whether or not the game clock is running or stopped. Is this correct?	Yes	No					
16	When a dribbler passes an opponent sufficiently to have their head and both shoulders beyond the front of the opponent's torso, the greater responsibility for subsequent contact shall be that of the opponent. Is this correct?	Yes	No					
17	During a timeout, Team A's assistant coach goes out onto the playing court and past the 28-foot line to observe what is happening in the opponent's huddle. The officials shall notify Team A's head coach that the assistant coach has been warned for leaving the bench area. Is this correct?	Yes	No					
18	Disconcertion applies to opponents on the playing court or bench personnel. Is this correct?	Yes	No					
19	An airborne shooter who is fouled by an opponent while in the air but after the ball is released is considered to be in the act of shooting until that airborne shooter returns to the floor with both feet.	Yes	No					
20	Once a team is issued a warning for one of the four delay situations, any subsequent delay results in a technical foul. Is this correct?	Yes	No					

21	<p>A double personal foul involves only personal fouls and only two opponents; no free throws are awarded, and the ball is put in play at the point of interruption. Fouls of equal gravity involve either: 1) technical fouls, 2) intentional fouls, or 3) disqualifying fouls when the number of free throws is equal and play resumes in the same manner; no free throws are awarded, and the ball is put in play at the point of interruption. Is this correct?</p>	Yes	No					
22	<p>When a dribble-drive play originates from the L's primary, the L will be responsible for primary coverage of the primary defender and the C and T official will share primary responsibility for secondary defenders based on who has an open look at the play. Is this correct?</p>	Yes	No					
23	<p>The jump ball restrictions for the jumpers end in the same manner that they end for the nonjumpers. Is this correct?</p>	Yes	No					
24	<p>A1 dribbles the ball into their team's frontcourt when B1 deflects the ball into Team A's backcourt and out of bounds across the end line. There are 18 seconds on the shot clock. Team A is granted a new 10 seconds to advance the ball into their frontcourt. Is this correct?</p>	Yes	No					

25	When free throws are to be awarded for a personal foul, the offended player is awarded the merited free throws. When free throws are awarded for a technical, intentional, or disqualifying foul, any member of the offended team may attempt the free throws. Is this correct?	Yes	No					
26	Officials must have definitive knowledge of the time to be placed on the game or shot clock when the officials have knowledge that the game or shot clock failed to stop on the official's signal. Is this correct?	Yes	No					
27	When reporting a restricted-area blocking foul to the scorer, the calling official will state the color of the jersey and the player's number who fouled then signal the blocking foul and point to the floor in front of the official. Is this correct?	Yes	No					
28	A player whose momentum causes that player to go out of bounds may be the first to touch the ball inbounds if that player reestablishes one foot inbounds prior to touching the ball. Is this correct?	Yes	No					
29	The referee shall ensure that the home and visiting teams are wearing contrasting-colored uniforms. Is this correct?	Yes	No					
30	A1, dribbling quickly toward the basket, attempts to end their dribble by grabbing the ball. Both of A1's hands touch the ball, but A1 fumbles the ball. While fumbling the ball, A1 takes three steps. When A1 finally controls the ball, both feet are in contact with the playing court. The official rules this a legal play. Is this correct?	Yes	No					

31	<p>“Continuous motion” applies to both tries and taps for field goals and free throws, but it has no significance unless there is a foul by the defense during the interval that begins when the habitual trying or tapping movement starts and ends when the ball is clearly in flight. Is this correct?</p>	Yes	No					
32	<p>When a defender’s body contact, such as the defender’s body bumping or leaning their torso on the dribbler, affect the rhythm, speed, balance, or quickness of the ball handler, or reroutes the ball handler from their desired path, a foul has been committed by the defender. Is this correct?</p>	Yes	No					
33	<p>When a double whistle unnecessarily occurs in one official’s primary, is immediately recognized, and both officials are confident they have the same calls, the call is then released by the non-primary official and taken by the official with primary-area responsibilities. The officials should not bounce the call back and forth to one another. The primary official should say “I’ve got it” and take it, and only one official should be giving the appropriate signal. Is this correct?</p>	Yes	No					
34	<p>The jump ball, the throw-in, and the free throw are the only methods of making a dead ball live. Is this correct?</p>	Yes	No					
35	<p>While the ball is live, an assistant coach or manager is permitted to go to the official scorer to obtain information. Is this correct?</p>	Yes	No					

36	On drives originating from the T's primary, when there are multiple defenders, the T will continue to officiate the primary defender and the L will officiate the help defender(s). Is this correct?	Yes	No					
37	A goal is made when a live ball enters the basket from above and remains in or passes through unless canceled by a throw-in violation or an offensive foul. Is this correct?	Yes	No
