

## **MACHU PICCHU & THE SACRED VALLEY with an optional pre-trip extension to the PERUVIAN AMAZON**

Bogus Basin Ski Club is happy to present MACHU PICCHU & THE SACRED VALLEY **September 29-October 10, 2027** with an optional pre trip extension to the PERUVIAN AMAZON, **September 23-29, 2027** led by Doug and Sue Baker. We are using “Overseas Adventure Travel” (OAT) for this marvelous adventure to South America. I’m sure this is a “bucket list” trip for many of you as it is for us. One of the reasons this company was chosen is they offer two opportunities to visit the Machu Picchu ruins. Click [HERE](#) to see the day-by-day detail.

We have negotiated a current price of \$5,309 including economy flights in and out of Salt Lake City (exact airfare from Boise is pending-flight upgrades may be possible). Trip only without flights is \$3,799. The optional pre trip to the Peruvian Amazon is priced at \$1,899. **Be sure to ask about their price guarantee payment options.**

**Due to the Moderately Strenuous nature of this trip (rated 4 out of 5 level),** OAT requires all travelers to have travel insurance with Medical Evacuation coverage of at least \$200,000 and Medical Expense coverage of at least \$50,000. This can be purchased through OAT or other Travel Insurance companies such as BCBS Global Solutions.

Please note you must be a member of the BBSC ski club to participate in this trip. We have reserved space for 20 travelers. **However, we need to have 11 more people commit to the MP & SC trip by July 1st, 2026 (7 for the Amazon) to keep these trips “private.” After that date, OAT reserves the right to open it up to other non-BBSC travelers.**

We truly expect this to be a fabulous trip and hope you will seriously consider joining us. Remember, we need 11 more travelers signed up with a \$500.00 deposit by July 1, 2026 to make this an exclusive trip for BBSC members. They offer graduated discounts for payment by check.

**One final note.** Unlike past trips through BBSC, OAT will be responsible for the primary trip registration and payments. However, because this is a BBSC sanctioned trip and for our liability insurance purposes, and so that we capture all your local data, we do require you to register with us via SportsEngine (registration link coming soon). Thank you
