

HIGH PERFORMANCE - STL

As a club, we are always looking to improve our programming and manage our operations more efficiently to make the overall experience an easy one for families. It is with that in mind that we are pleased to announce our partnership with Sprocket Sports. Sprocket Sports is a modern technology platform for the management and marketing of youth sports clubs. For parents, Sprocket delivers an easy-to-use registration and payment system, as well as comprehensive communications and a user-friendly website experience. For club leaders, staff, and coaches, Sprocket offers an extensive and powerful operating system so they can focus on what really matters – our kids!

As part of this transition, we've migrated to a new registration platform, and will soon be updating our club website. Some of the upgraded features offered include auto-pay for registrations via ACH or credit card, and a mobile App where you can view club news and resources, register for programs, view your player's team roster, communicate with staff and other club members, and more!

Please take a moment to set up your account by completing the following steps:

Please note you must create a new account! Your prior account access (username/password) will not carry over to the new system.

- 1 Create an account by clicking on the following link: [Create Your Account](#).
- 2 You'll be prompted to create a password and your email will become your username moving forward.
- 3 Once your account is confirmed, the system will walk you through the process of adding additional Parents/Guardians as well as adding your player(s).
- 4 After you've successfully created your account and logged in, you'll be able access the main dashboard. On the right-hand side of the page, there will be a list of **Open Programs** where you may view and register your players for any available programs that they are eligible for.
- 5 Select the Program Name you'd like to register for and complete the step-by-step process!

We very much look forward to our partnership with Sprocket Sports and the enhanced experience they will provide for our members. If you have any questions regarding the club or our new partnership, please reach out to info@hpstl.org. If you have any questions while setting up your account or completing the registration, please contact [Sprocket Sports](#) for assistance.
