# SERVE FOR SIERRA

Sierra Monahan's love for horses collided with her health and safety on Sunday, August 20th. She was enjoying riding one of her horses when the horse abruptly flipped over backwards on top of her causing life threatening internal injuries. She is currently at HCMC where she has had many lengthy and extensive surgeries. Sierra has been so brave through it all, but she has a long road of fighting and healing ahead of her. She will require extensive care and time to recover. Sierra is a member of the 10<sup>th</sup> grade volleyball team where she is deeply missed.
