

Goalie Equipment Rental Policy

Effective July 28, 2024 the Crookston Blue Line Club (BLC) will be making the following changes to our goalie equipment reimbursement program policy, and will replace any previous policies. The BLC reserves the right to refuse reimbursement of non-qualifying purchases. The reimbursement program is for all full-time BLC goalies Squirts thru Bantams and 10U thru 12U.

As an alternative the BLC also has used goalie equipment available thru our equipment rental program. Any goalie equipment checked out thru this program will be free of charge. The BLC asks that an attempt be made to utilize the rental equipment.

Equipment purchased thru the goalie reimbursement program is property of the BLC, and after the child has outgrown the equipment, moved on to high-school, or chooses not to be a full time goalie, equipment must be returned to the BLC.

Requirements for reimbursement:

- Attempt must be made to utilize BLC rental equipment program
- Valid receipt must be provided to qualify for reimbursement
- Receipts must be submitted after team selections
- Equipment needs to be labeled, numbered and recorded as BLC property.
- Receipts need to be submitted before the end of the season in order to be reimbursed for that year. Receipts received after the end of season will not qualify for reimbursement.

Items that qualify for reimbursement and are limited to:

- Goalie Helmets
- Leg Pads
- Chest Protectors
- Breezers
- Blockers
- Catcher Gloves

Items that do not qualify for reimbursement:

- Customizing Goalie Helmets
- Skates
- Sticks
- Other Accessories

Reimbursement cap amounts as of June 1, 2024 are:

Squirts/10U: up to \$400 per year

Pewee/12U: up to \$600 per year

Bantam: up to \$800 per year

**Reimbursement prices are subject to change without notice

Examples:

A Squirt/10U player turns in a valid receipt for \$200. \$200 will be reimbursed

A Bantam player turns in a valid receipt for \$1,000. \$800 will be reimbursed.

The BLC reserves the right to change this policy at any time.
