

HDC Meeting Minutes – December 10th, 2018

Attendance: Neil Huewe, Kurt Knott, Corey Rupp, Tony Mannausau, Bob Brink, Mike Johnson, Andy Haskell, Matt Lee

Absent: Eric Monsrud

Power Skating

We will start Friday morning Power Skating and Scott Anderson will run as many as he can. Kurt Knott and Corey Rupp will help fill in if needed unless others are willing to help.

Sanford Ice Time

Struggles continue in trying to book ice at the Sanford Center. Response time is not possible to schedule and overall doesn't feel like they want us there.

Team Level Updates

Overall team updates were good with no concerns. Bantams and Peewee teams are short games and Neil is working to get more games scheduled.

AA or A Program Feedback

Feedback was passed along on whether Bemidji is a AA or A program. Pro's and Con's were discussed and the discussion needs to be with high school and others in the hockey community on what is best. Whether we were AA or A our schedule does not really change on who we would play and desire to ensure we are pushing to be best versus just making easier to win. Have a lot of good things going with numbers where more aligned at squirts and lower programs with AA youth programs.

Ice-Out

Last day of BCA ice is March 3rd.

Respectfully submitted: Corey Rupp
