FUNDAMENTALS

SUBMIT ANNUAL MEETING PROPOSALS

If you plan to submit proposals for the coming Annual Meeting, please be advised of the following important dates:

1. Proposed changes by member schools for any of the [Rules and Regulations](#) of the *MHSA Handbook* (pages 21-31 and 51-120), must first be presented to the MHSA Executive Board at its **November 19-20 meeting**.
2. Schools may submit proposed changes in the By-Laws (pages 7-120 to the Executive Director by **December 1**. By-Law changes do not need to be presented first to the Executive Board, but it is best if all proposals are received before the Board Meeting.

No proposal can be presented from the floor that has not been received by the Executive Director by the deadline. Remember proposals must carry a fiscal note if there are financial implications to the Association, and proposals will be separated by the Resolution Committee to be considered by affected classifications.

We request that when writing proposals for the MHSA Annual Meeting you refer to the *MHSA Handbook*, Article IX, page 19. Please submit your proposal by using the proposal form posted at www.mhsa.org.

TOURNAMENTS

TOURNAMENT MANAGERS

It is the responsibility of tournament managers to make sure that they report to the Montana High School Association office in Helena any incident or injury involving spectators and/or participants. Also, any property damage should be reported. Please submit a facility or school district report of these occurrences immediately following your tournament by faxing the report to the MHSA office (442-8250) or by emailing Brian Michelotti (bmichelotti@mhsa.org) in the event that any type of litigation occurs following the incident.

Because there is a claims made coverage deadline from the date of the occurrence in which it has to be reported, all tournament managers should send this report as soon as possible following your event. Your cooperation is appreciated.

MUSIC

If your school is hosting a district music festival in the spring and you are planning to move the dates of that event, please be advised that you must first contact the MHSA office. Only schools that have paid music dues are eligible for participation, and schools with paid music programs must ensure district music festival participation.

2023 District Music Festivals

The following dates are for the District Festivals in Spring 2023.

March 28 - District Music Festival – 9 [large groups]
April 3 - District Music Festival – 9 [solos and ensembles]
April 9 - Easter Sunday
April 14-15 - District Music Festivals – 2,5,7,10,12 (subject to change)

WRESTLING

MHSA SKIN LESION FORM

Attached you will find a copy of the MHSA Skin Lesion form which can also be found on the wrestling page of the MHSA web site at www.mhsa.org.

WR#1 & WR#2 FORM DEADLINES

The MHSA has clarified the deadlines for both the WR#1 form and the WR#2 form. Schools must complete the WR#1 certification form for each wrestler and submit the summary WR#2 form to the MHSA office within 34 days from the first allowable practice, which this year is **December 21, 2022**.

The rationale for the same deadline is to eliminate confusion about the completion deadline for WR#1 and the submission deadline to the MHSA office for WR#2. By putting both of these dates at 34 days, the third Wednesday in December will be the critical date and will remove any confusion concerning this timeline.

Coaches have been sent one copy of the WR#1 and WR#2 forms. We will no longer distribute WR#1 cards, and each school will need to make copies of this form to certify all of their wrestlers. The WR#1 form, along with the WR#2 summary form, are available in electronic format on the wrestling page of the MHSA website for your convenience so you can print these forms or enter information electronically.

Scale Recertification Changes

The State of Montana Bureau of Weights and Measures has notified the MHSA that they no longer have the resources to certify scales. Enclosed with this mailing is a list of scale service agencies registered with the State of Montana. Please contact one of these agencies if you need to certify your scales. A link to these agencies will also be on the wrestling page at www.mhsa.org.

If you have any questions or concerns please contact Scott Wilson at the MHSA office.

BASKETBALL

BASKETBALL INFORMATION INCLUDED

Attached to this publication is information concerning selection of basketball scorers and timers, the MHSA basketball mercy rule and the 2022-23 basketball rules interpretations. This information should be provided to, and reviewed with, basketball coaches and personnel that will be your scorer and timer at basketball games.

TEN DAYS OF BASKETBALL PRACTICE RULE CLARIFICATION

The Montana High School Association Executive Board shall establish the starting date for practices and the first allowable date when any contest can be played. No individual shall play in any Association basketball contest until he/she has a minimum of ten (10) days of basketball practice with at least one practice session per day on ten (10) different days (no practice permitted on Sundays) prior to the date of the first allowable game. **Warm-ups or walk-throughs before a game cannot be used as a day of practice to meet the minimum of ten (10) days of basketball practice rule. Additionally, a practice the day of the game does not count, unless an athlete is practicing with another squad that does not have a game that day (i.e. A varsity team member stays home and practices with the JV team that does not have a game that day).**

POLICY REGARDING LIGHTING FOR PLAYER INTRODUCTIONS

The following are the MHSA allowable procedures for varied and/or dimmed lighting during contest introductions.

Regular Season

For any indoor MHSA athletic contest, facility lights may be dimmed or partially extinguished only during introductions and only within the following guidelines:

1. If lights are dimmed or modified during introductions, enough light must remain to ensure the safety of all occupants in the facility, specifically for the purposes of maintaining crowd control and guaranteeing that aisles, stairways and exits are visible.
2. If partial lighting sections above the area of competition are fully extinguished, the lighting sections above the fan areas must remain on, and aisles, stairways and exits must remain visible.
3. The use of spotlights is allowed provided they are used appropriately and do not delay the start of the game.
4. Home and visiting teams must be introduced in the same manner, and gender equity standards must be met in showcasing introductions in this manner.
5. All local fire and public safety codes must be followed.

Postseason

For all indoor postseason events (playoffs and tournaments), full facility lighting will remain on throughout introductions and between contests if applicable.

If you have questions or concerns about these clarifications, please contact Greta Buehler at the MHSA Office.

SPIRIT

REMINDER

If your school did not have cheerleaders for the fall season but will be fielding a team for the winter season, make certain your coach completes the online spirit rules clinic by December 1st.

As basketball season is upon us, please keep in mind that spirit participants (cheerleaders) shall stand outside the free-throw lane lines extended towards the sidelines throughout a basketball game. (Rule 2-1-12). In addition, spirit participants shall remain outside of the playing area during a 30-second or less time out during a basketball game (Rule 2-1-10).
