

Protocols and Best Practices

These are general protocols and best practices that will be implemented upon reopening of the facility. Programs will be modified to meet the occupancy and distancing requirements per the County Health Department, Local, State and Federal Guidelines.

1. The LA Kings Ice Pickwick strictly adheres to all CDC, CDPH, and Los Angeles County Health Department guidelines and mandates
2. Dedicated cleaning crew continuously disinfects locker rooms, player benches, rest rooms, and common areas with the new **Electrostatic Foggers containing virus-killing Botanical Disinfectant Solution**
3. Additional hand sanitizer stations have been placed throughout the facility and are continuously refilled
4. Facility square footage is sufficient to allow social distancing
5. No food service
6. All employees, Day Camp, Gym, and fitness customers are subject to health checks including temporal thermometer scans prior to entering the facility
7. All employees are to wear face masks (as mandated) and will be required to wash or sanitize their hands regularly throughout their shifts
8. Water fountains and showers are closed
9. Day Campers, Gym and Fitness customers will enter through the Main Entrance only after checking in and being health screened at the welcome tent and exit from a different side door only
10. Increased ventilation and de-humidification settings in the facility
11. Facility capacity reduced from ***1980*** to ***150; (50 per ice surface) & (100 employees & guest common areas)***
12. Please stay home if you have a fever or cold and/or flu-like symptoms. Temporal thermometer scans will be utilized for select programs and are available at the Welcome Tent and/or Guest Services.

As Covid-19 is a fluid situation and guidelines may change, these protocols and best practices are subject to change by the LA Kings Ice Pickwick at any time at the sole discretion of management to maximize customer and employee safety.
