

IAHL Team Strength Estimator

You can have a total of 20 players rostered on your team (15 Full Time, 5 Subs, Goalies do not count against your numbers)

Put the name of your player, grade the player's skill level, add the grade of all players and divide by the number of players, this will give you the overall skill level rating for your team.

Skill level Grades: A=5; B=4; C=3; D=2; E=1 See the IAHL Website and rules for details on skill levels.
