ATHLETIC BOOSTER CLUB

The Carmel Athletic Booster Club is the organization that provides funding for athletic programming at Carmel Middle School, including support for the school administration, athletic department and coaching staff to deliver quality experiences to all students who participate in sports, as athletes, team managers or spectators.

Middle school sports budgets continue to be reduced year after year and schools are dependent on the support of families to:

- Upgrade and maintain athletic equipment to ensure student safety
- Replace uniforms as necessary
- Sponsor low-cost health screenings to enable more participation
- Provide transportation to and from athletic events
- Recognize all student athletes at awards programs

This year we are offering different options for membership in the Carmel Athletic Booster Club to show your Cougar Pride.

Please select the option that best fits your family and return this form to your student's homeroom teacher with your donation. Checks may be made payable to Carmel Athletic Booster Club.

- Base \$35 (suggested donation)
- Preferred \$70 (covers a family who may not otherwise be able to participate)
- MVP \$140 (covers your family plus three others and recognition)
- Other \$_____ (any amount is greatly appreciated!)
