

Petoskey Area Hockey Association

Sponsorship Levels for 2023-2024

Petoskey Area Hockey Association (PAHA) is a non-profit organization established to operate amateur ice hockey teams for the youth of Petoskey and surrounding communities. We do this by encouraging, promoting and improving the game and standards of the sport of ice hockey, building character, and fostering good sportsmanship among youth and others associated with PAHA.

PAHA offers sponsorship opportunities to local businesses in the form of advertising. The sponsored player receives **100% of the proceeds** towards their registration/ice bills. In return, your sponsorship is tax deductible. A win-win for both the player and your business. A W9 form is on our website for easy printing.
