

The National Sports Center Figure Skating

November 9 - December 23, 2020 Ice Time (updated 10/10/20)

This Ice Contract is to request ice sessions for skaters who would like to purchase ice time from November 9 – December 23, 2020

The session(s) will be added to your MaxG account, and a confirmation of sessions will be emailed to verify the session(s). An invoice will be created for the sessions, emailed, and if you have credit left in your account you will receive a receipt indicating a payment has been made and if there is a balance remaining. If you do not have credit in your account to make a payment towards the invoice you will receive a copy of the invoice. Please double check the confirmation and session selections for any errors.

Since we will be processing the ice contracts in TWO stages you may receive a second batch of emails with additional session confirmations. If your balance has been paid in full, a new invoice will be created, otherwise the current invoice will be updated.

Stage #1 <> Fill freestyle sessions where the session has been confirmed to have a lesson

Stage #2 <> Fill requests for additional practice ice time, filled on a first come first serve basis

- ◆ If you use up your credit you will receive an invoice for the remaining amount and the invoice may be paid in two payments,
 - First payment due November 8
 - FULL balance due December 8

All ice purchased can be viewed in your on-line account, including all payments and remaining credit amount. Link: <https://nscsports.maxgalaxy.net/Home.aspx>
