# November

## Hey MN BPA!

Welcome to our November Newsletter! The first thing we would like to highlight is congratulating Blue Earth High School for being named November Chapter of the Month. Their coffee fundraiser was a complete hit, with one student alone selling over \$1000 worth of coffee. This effort supports their chapter's state and national costs and helps their local coffee shops. Great work Blue Earth, keep capturing the moment!

# Officer Hosted Zoom Call: Region Presidents

As we gear up for the next season, the officer team will be hosting Zoom call on Monday, December 2, at 6:30 pm. Make sure you let your region president know and if they can't show up your region Vice President can also come. This a great way for your regions to stay informed and connected as we get rolling into the competition season.

# Exciting Opportunities & More!

Speaking of exciting opportunities, MN BPA is currently looking for sponsorships to help our NLC qualifiers. A \$1000 sponsorship that would go directly to NLC qualifiers helping them showcase their talents at the national level. As BPA members ourselves, we know how hard it could be to gather the funds to go to NLC. If you know any alumni or business that might want to help let them know, as many alumni and local business credit their success to BPA and this would be a great way for them to give back.

If your chapter has a story to share, whether it's a fundraiser, project, or success story, we want the world to hear about it. Send us a message on our MNBPA Instagram account or email one of the officers for any questions or concerns. Lets celebrate all the fantastic things that our state does together!

Our last message for this edition is to stay motivated, stay focused, and lets make the rest of this year unforgettable.

With Warm Regards,  
Your MN BPA Officer Team
