

## The Great Northwest Basketball League ~ ~ 2019-2020 Power Ratings

Note: For 6th through 9th grade teams, ratings reflect performance in The Great Northwest Basketball League during the 2018-2019 season. The one exception is a small number of teams that played in the League during a previous season, but not in 2018-2019 (many are Minnesota teams whose players can play on high school squads as 7th and 8th graders). In these cases, the rating listed is from the last season played and is noted with parentheses ( ).
