As we continue to look for ways to build and strengthen our organization, we are taking steps to broaden the support for youth football in the community of Oregon City. Over the years, our Oregon City Youth Football community has grown to include over 300 local youth and their families in our flag football, tackle football and cheer programs.

In an effort to carry out the mission of our organization, we are looking to expand our community base to include the local businesses. In doing so, we hope to not only raise funds that will help defer some of the cost associated with our programs, but to establish a mutually beneficial relationship between the community we serve and our sponsorship partners. We are offering the following sponsorship opportunities for your company to become part of the Oregon City Youth Football family. Thank you for your support, and we look forward to hearing from you.

**For a \$300 sponsorship, you will receive:**
