

THE BOILER BACKER CAMPAIGN

A home we can call our own

The Academy Boiler Juniors has established itself as being one of the nation's top volleyball clubs. Due to the rapid increase in teams and athletes, we have been training out of multiple facilities. With the new Boiler Juniors Training Facility, we will have a place to call our own!

Becoming a Boiler Backer means directly supporting our programs and positively impacting nearly 450 local athletes. Your support will make a huge impact on the lives of current and future Boiler Juniors athletes!

Why YOU Should Become a Boiler Backer

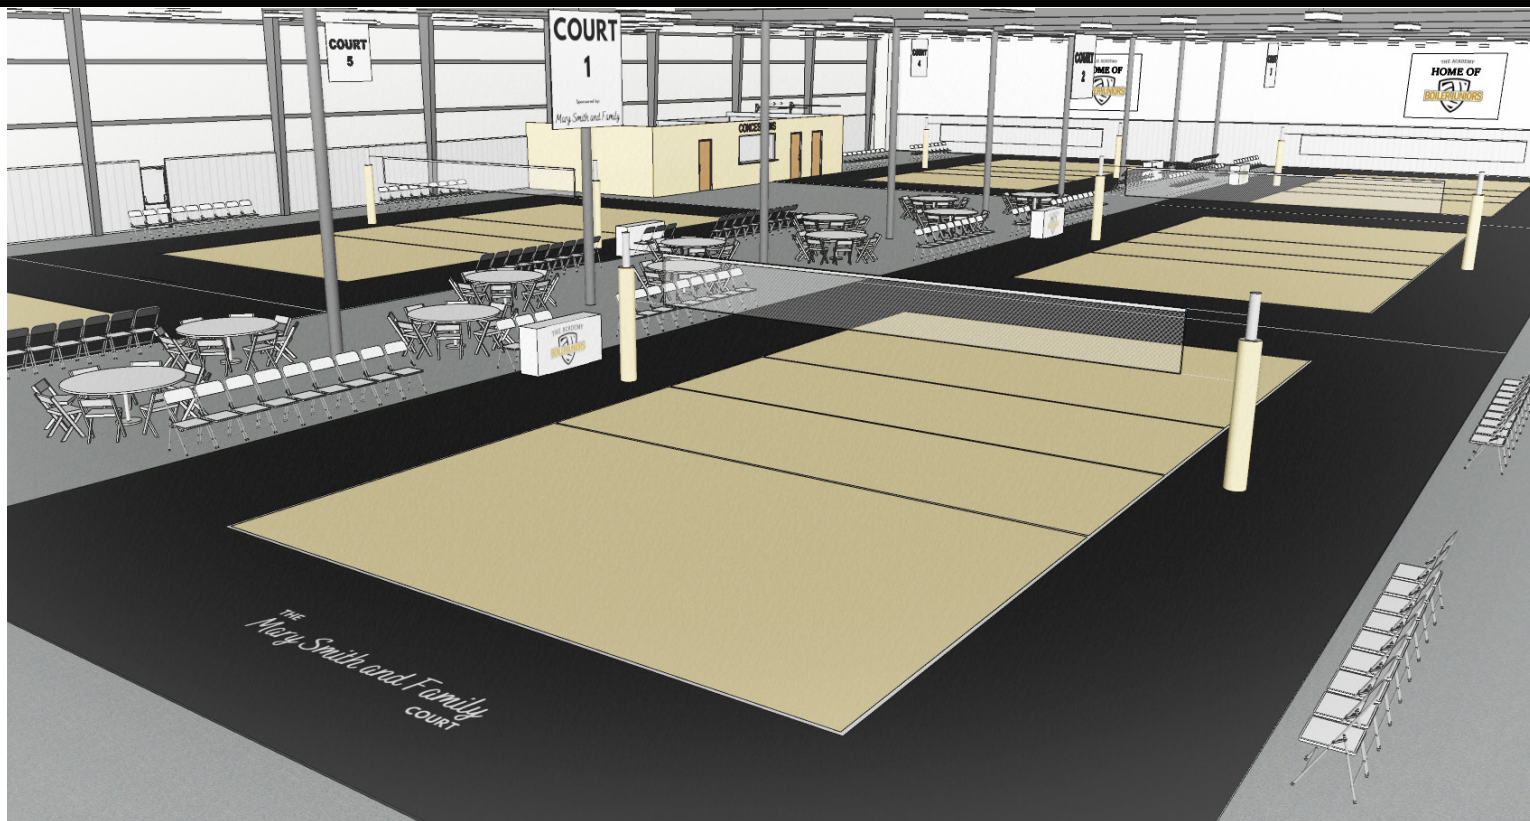

More teams under one roof

Ability to host tournaments in-house

Benefit to Lafayette and surrounding communities

Increased availability for lessons, camps, and training

Opportunities to cross train between teams and coaches

Boiler Juniors Volleyball Center
