

TO ALL KCYHA MEMBERS  
RE: TRAVEL TEAMS FOR THE 2021-2022 SEASON

As noted last year, we believe in creating an opportunity for all players to compete for top level travel teams to represent KCYHA no matter what side of the State Line you live on. The Mavs AA & Stars Gold Plus A programs will be the top levels for players to compete for positions.

**Tryouts will be open for all players from the KCYHA to make the following teams:**

KC Mavs AA: 10U Squirts, Maximum of 40 games allowed to be played at this level.

KC Mavs AA: 12U Peewee, Maximum of 45 games allowed to be played at this level.

KC Mavs AA: 14U Bantams, Maximum of 50 games allowed to be played at Bantam level.

Stars Gold Plus A: 10U Squirts, Maximum of 40 games allowed to be played at this level.

Stars Gold Plus A: 12U Peewee, Maximum of 45 games allowed to be played at this level.

Stars Gold Plus A: 14U Bantam, Maximum of 50 games allowed to be played at this level.

\*By capping the game limits, this will give parents a better opportunity to budget for travel heading into the season.

\*There will be no city-wide second travel teams at any of the AA or A levels for this current season.

\*All players that do not make a KC Mavs Travel AA team are strongly encouraged to attend the Stars Gold+ A try-out in August. This team is Kansas City's 'A' level team in each Division and is **open to all KCYHA member clubs**.

\*All players that do not make a Mavs travel AA or Stars Gold+ A teams will return to their respective House League teams to try out for house select at the appropriate time.

- Due to the Stars growth, there may be an additional Gold + "B" team at each level made up of Stars players only after AA and A teams are chosen pending participation and desire."

\*The 16U AA Midget travel team will continue to be suspended for the upcoming season and **all players** of that age group will have the opportunity to compete for positions on the Jets JV/Varsity Midwest High School teams and MAHSHL teams.

KC Mavs AA tryouts will be held at Cable Dahmer Arena July 6-8, 2021.
