

2026 JUNIOR PACER BASEBALL DEVELOPMENT PROGRAM

JUNIOR PACERS ATHLETIC PROGRAM PHILOSOPHY

- The Junior Pacers Athletic Programs exist to assist young athletes in developing their age appropriate physical, emotional, and intellectual athletic abilities in a Christian environment.

JUNIOR PACER BASEBALL

- Jr. Pacer Baseball is a Christ-centered program aimed at helping boys who are interested in attending SLHS and playing high school baseball.
- The Jr. Pacer Baseball Program draws directly from the leadership of the Shoreland Lutheran High School baseball program. The Jr. Pacer Baseball Director will guide the philosophies, program, and direction.
- The Jr. Pacer Baseball Director will oversee coaching staff selection, training, and development. Background checks, first aid, and concussion training, along with professional development in their sport-specific area, will also be overseen by the JPBB Director.

JUNIOR PACER BASEBALL PROGRAM OVERVIEW & INFORMATION

Our second season of the program will include approximately four age groups based on the ages of the players, the Junior Pacer Baseball Program will develop a player's baseball skills - including throwing, pitching, catching, hitting, fielding, and baserunning by providing age-specific instruction, practice, and competition. Our goal is to help young players develop solid fundamentals, learn proper techniques, and learn what it means to play baseball the Pacer way in a fun and Christ-centered environment.
