

Spring 2022 Parent Packet

Welcome! We look forward to a great season together. Below is some information for both new and returning players.

Our Vision is a thriving youth lacrosse program that affords each player the opportunity to discover, learn, participate in, enjoy and ultimately embrace a passion for lacrosse.

Our Mission is to be a lacrosse center of excellence within the Northwest Austin community that provides a high-quality educational experience to every athlete. A high-quality experience is one in which every player:

- Has fun playing the game
- Learns “life lessons” that have value beyond the playing field
- Feels he is an important part of the team regardless of performance
- Develops a deeper understanding of the skills, tactics and strategies of the game
- Has an opportunity to reach their highest level of potential

Our Core Beliefs

- Coaching Excellence
- Character Development
- Continuous Improvement
- Cost Effectiveness
- Customer Service
- Clear Communication

Coaching Goals

To create a culture of INCLUSIVITY, attracting new players and old, while fostering a COMPETITIVE environment and encouraging a perpetual pursuit to LEARN.

High School Partnerships

Our program is built around a mutually beneficial partnership with McNeil and Westwood's High School Lacrosse Clubs. Our objective is to be a strong high school feeder program. The Tomahawks are actively supported and advised by high school coaches, players, parents and key members of the lacrosse community.

Rules

The Tomahawks Program is a member of the Central Texas Youth Lacrosse Association (CTYLA). The CTYLA follows a combination of NCAA rules and alterations made by the member teams to make the game more suitable to our age group. The complete rules can be found at <https://www.ctyla.org/>. The season runs from mid-February to early May (no games over spring break or Easter weekend)

Field Sizes

Full Field for Junior & Seniors and a Short Field for Bantam & Lightning

- Bantam Rules (1st/2nd): 5v5 on a Small Field. No body checks. 4 Faceoffs.
- Lightning Rules (3rd/4th): 7v7 (including goalies) on a small field. No body checks. 4 Faceoffs.
- Junior (5th/6th) & Senior (7th/8th) Rules: 10v10 (including goalies) on full field. Strict interpretation of the rules. Classic NCAA style of play.
- Junior (5th/6th) & Senior (7th/8th) Rules: 7v7 (including goalies) on short field. Strict interpretation of the rules.

Frequently Asked Questions

What time of the year is lacrosse played? Lacrosse is a spring sport. Austin area leagues run from February to May. There are other clinics, camps and select teams that run during the summer and fall. Please email director@texastomahawks.com for advice or check our website for off-season lacrosse events.

Why is there a difference in registration fees between age groups? Cost is based

upon a number of variables, including field time, coaches, referees, uniforms, league fees, equipment and insurance. Some of the younger age groups (e.g. 1st and 2nd graders) may not have paid coaches or full uniforms so the absence of these costs generally lowers the registration fees for the younger ages.

What is included in the registration cost? Registration fee covers costs associated with field rental, coaches, uniforms, equipment, pictures, league fees, referees, insurance and marketing. Texas Tomahawks Lacrosse also provides training for coaches and background checks for all coaches/volunteers. Please note that players keep their uniforms at the end of the season. Any extra money is used to upgrade equipment and facilities for lacrosse.

How many players per team? Bantam/Lightning levels play on a miniature field (60 yards long x 35 yards wide). Bantam teams play 5v5 and Lightning plays 7v7 including goalies. Bantam teams are typically 12-15 players and Lightning are typically 14-18 players. Junior/Senior levels play full field lacrosse (110 yards long x 60 yards wide) with 10v10 including goalies, defensemen, attack, and midfield. Teams are typically 15-24 players. Alternately, Juniors/Senior levels may also play 7v7 including goalies on a smaller field (60 yards long x 35 yards wide).

How are players allocated? Central Texas Youth Lacrosse Association allocates players to each division by school grade. There are four age groups that play teams from around the league.

- Bantam - Grades 1 and 2
- Lightning - Grades 3 and 4
- Junior - Grades 5 and 6
- Senior - Grades 7 and 8

Are there volunteer opportunities? Absolutely! Texas Tomahawks Lacrosse is a volunteer-led organization so there are several ways you can help. Positions such as Assistant Coach, Team Parent, Timekeeper, Score Keeper and Stats Keeper are explained in the "Volunteers Corner." We are also always looking for parents or guardians willing to serve on our board.

Are there geographic limitations for players? Yes. CTYLA Rules dictate that players must either be zoned or plan to attend our feeder High Schools (McNeil & Westwood). However, sometimes waivers are available to play for the Tomahawks if requested.

When and where are practices held? All teams will practice at the Town and Country

Optimist Club, 9100 Meadowheath Drive, two nights per week on lighted fields. Practices are typically held on Field 2. Practices will be held on Monday and Wednesday nights between 5:30-8:00pm. Younger age groups (e.g. 1st – 2nd) will practice in the earlier time slots.

When and where are the games played? Home games are played on Sunday afternoons. Away games may occasionally be played on Saturdays. CTYLA will provide the game schedules once all programs have turned in their rosters. Games are scheduled in geographic pods to limit the amount of travel for away games. Dripping Springs and Georgetown are usually the farthest teams might have to travel. There are typically four home games and four away games. Each game takes approximately 60-90 minutes to play – not including pre-game warm-up time.
