20-WEEK LEARN TO PLAY HOCKEY CLINIC

OCTOBER 1 - MARCH 3

SUNDAY AFTERNOONS (3:30 - 4:30 PM)

This 20-session Junior Sharks Learn to Play Clinic targets girls (12+) new to hockey. It is designed for those thinking about playing high school hockey or wanting to try the sport.

Participants start with skating, working on forward stride, edges, crossovers, and stopping. Next is hockey skills, including puck handling, passing, and shooting. Small-area games are incorporated to allow players to practice their skills in a game-like environment.

Program Overview

- Girls ages 12 - 19
- Designed for girls new to hockey (skating experience encouraged, but not required)
- Goal is to prepare participants for team play
- Led by former high school coaches/college players
- Full hockey equipment and a USA Hockey Membership required
- Cost: \$600
