Lake Shore Youth Baseball Mission Statement

The purpose of Lake Shore Baseball's program is to provide youth sports for the children of the Pasadena Peninsula with a quality instructional athletic program that promotes teamwork, builds self-esteem and increases the knowledge of baseball in a safe, non-threatening environment.

The Lake Shore Youth Baseball program, using competitive Little League baseball rules, teaches skills, mental and physical development, a respect for the rules of the game, and basic ideals of sportsmanship and fair play. We are committed to providing the best educational sports experience possible. It is our fundamental belief that every child with a desire to play baseball be afforded that Opportunity.

Lake Shore Baseball will work toward respect, cooperation, commitment and teamwork. It is these four life building blocks that will enable our young athletes to grow into respectable adults.

It is our mission to raise the quality of family, citizenship, and sports in this community by working with our most valuable asset we have today, our youth.
