

## **CEVA CLUB DIRECTORS' UPDATES – 2/27/2023**

- The deadline to register for Regionals is 3:00 PM on Tuesday, February 28<sup>th</sup>. A list of teams registered as of 8:45 AM this morning has been posted [on our website](#).
- Once the office knows how many teams have registered for Regionals, we will be able to determine capacities for all age groups (note – since multiple ages play on the same weekend, one division's capacity can impact another). When we know your team has qualified, you will be able to pay the entry fee via AES.
- Teams who have been moved to an "OK to Pay" status in AES for the CEVA Bid Tournament must pay their entry fees by March 1 at 3:00 PM. Teams who do not pay their entry fees by this time will be removed from the tournament.
