Lessons Learned

- COVID has changed everything. We will utilize the same policies AHSAA requires for procedures on returning to practice.
- In March 2020, we were forced to end our club season. Due to Covid you will be taking a risk by paying tuition and not being able to play in a tournament. We are praying for a “normal” year, however we can’t control illness. You MUST understand that entry fees to a tournament will not be refunded if members of the team: test positive for Covid, forced to quarantine due to family members testing positive, Covid exposure, experiencing Covid symptoms, etc. Clubs use those fees and prepare for the tournaments and those fees are nonrefundable.
- Integration of Enterprise, Opp, New Brockton, Goshen, Geneva, and Dothan area players. You may list Dothan or Enterprise based as a preference; however, players will be evaluated based off skill level. We will do our best to place players on the correct level team. If you want to give your child the best opportunity to play on any level, I would suggest not limiting them to play on a Dothan or Enterprise only team.
- Rule of 3’s.
