Equipment & Jersey Update:

All first year squirts, first year U10's and new players to the association should have received an email to sign up for a jersey number. If you did not, please email NHA Equipment Coordinator at equipment@northfieldhockey.net ASAP.

The traveling game jersey and player apparel store for all players will be opening in the next week or two as soon as it is finalized. It is imperative that jerseys and apparel are ordered within the order window. Orders outside of this window will be subject to all additional costs to order individually. The store will be closing by the end of September, so please check the window carefully.

The next rental equipment dates are 9/11 5:30-6:30pm, 10/6 5:30-6:45pm and 10/8 5:30-6:45pm. Location: Northfield Ice Arena. Don't forget to bring a \$200 deposit check and select equipment rental on registration, or bring a \$75 check or venmo NHA.

Mini Mites & Sr. Mites will need jerseys ordered soon - if you have not registered yet, please do so soon!

Have a great evening,

NHA
