

# ITHACA ADULT HOCKEY ASSOCIATION

## 2021-22 REGISTRATION

[info@ithacadulthockey.com](mailto:info@ithacadulthockey.com)

**REGISTRATION** | Registration and payment will be available at <http://iaha.sportngin.com/>. You are encouraged to sign up for a SportsEngine account which will make future registration easier. Payment is due at registration. You can pay by credit card, debit card or checking account.

**USA HOCKEY** | You must register with USA Hockey in order to play in the league. Your 2021-22 USA Hockey Player registration number is required during the online registration process. If you are on the wait list, do not register with USA Hockey until we confirm a spot for you in the league.

**DEADLINES** | On-time registration – must be submitted by midnight, October 12th (Tuesday night).

Late registration – after Oct 12th, a \$30 late fee applies for returning players.

If spots fill up, you may get shut out even if you register before the deadline. Last year B/C was full. Check the website for updates. If this happens, please sign up for the wait list. Additional teams will be created when there are enough people on the wait list.

**PLAY TOGETHER** | You may partner with other players (maximum three) by making a “We want to play together” request during registration. All players in the group must make the same request.

**NEW PLAYERS** | All players will be assigned to a team by the IAHA.

Answer the questions about your prior hockey experience during the registration process. To assist the Board in your team assignment, new B/C players are required to play in at least one pre-season game.

**PRE-SEASON GAMES** | Pre-season games will be scheduled for all B/C players. New players in B/C MUST attend at least one game. The cost is \$12 per game, payable the night of the game. All fees must be paid before you step on the ice.

If a game is full, sign up for the wait list. As we get closer to game day, we'll shuffle openings between new and returning player slots to fill up any open slots. We'll also add games if demand exists. If you cannot make a game you signed up for, please cancel. USA Hockey registration is not required, and no insurance is provided.

# ITHACA ADULT HOCKEY ASSOCIATION LEAGUE INFORMATION

[info@ithacadulthockey.com](mailto:info@ithacadulthockey.com)

The Ithaca Adult Hockey Association was formed during the summer of 1999 by a group of players from both the Cass Park and the Rink leagues. The primary goal of IAHA is to promote a healthy and fun recreational adult hockey league in Ithaca by providing oversight of the league administration, improving parity among teams, promoting sportsmanship, and encouraging players at all skill levels to participate.

**DIVISIONS** | The league is traditionally split into two primary divisions. The A/B division is intended for intermediate to advanced players. The B/C division is for entry level to intermediate players. The number of teams in each division will be adjusted to accommodate player registrations.

Advanced players may not play in the B/C division; novice players may not play in the A/B division. Intermediate players may choose to play in either division or both. If you played (or could have played) high school varsity, college club or above, you are probably an A/B player.

IAHA reserves the right to reassign any player to maintain appropriate play in each division.

**TEAMS** | Teams will consist of a maximum of 13 skaters plus one goalie. No player will be assigned to a team until the individual has submitted an online registration, including USA Hockey registration, and made payment to the association.

If players want to be assigned to the same team (maximum of two for A/B and three for B/C), they must all make a “We want to play together” request during their registration session. All players who want to be paired together must make complementary requests naming the others in the group.

All players will be assigned to teams in a randomized fashion by the IAHA Board.

**SEASON** | Each team will play 26 regular season games, plus a minimum of 2 playoff games. The season will run from October 24, 2021 to roughly March 20, 2022. Game schedules will be distributed prior to each team’s first game.

The cost for the entire season is \$515 for skaters and \$50 for Goaltenders in the B/C division. You must register separately with USA Hockey.

The deadline for registration and payment without a late fee is midnight Tuesday, October 12, 2021. For returning players only, there will be a \$30 late fee for any registrations submitted after this date. Remember – no registration and no payment means no team assignment.

Roster spots are filled first-come, first-served. Registration before the deadline does not guarantee a spot in the league. When all team rosters are full, a waiting list will be maintained. Additional teams will be created when there are enough people on the wait list.

**USA HOCKEY** | You must register directly with USA Hockey at <http://usahockeyregistration.com>. The cost is \$54 and must be paid with a credit card.

When finished, note your USA Hockey registration confirmation number. This must be entered and verified during the IAHA online registration process.

**SUBS** | The fee to register as a sub player will be \$105. There is no per game fee for substitute players.

B/C subs will be restricted to playing eight (8) games total.

Requests to register as a sub must be made by a team captain and be approved by the Board. Once approved, the player must submit a registration, including USA Hockey registration, and make full payment, before he/she will be allowed to play. DO NOT register with IAHA or USA Hockey until the Board or your captain tells you that you have been approved. There is no deadline to register as a sub.

**SPLITS** | If you cannot play full time but are interested in splitting a spot with someone, contact [info@ithacaadulthockey.com](mailto:info@ithacaadulthockey.com)

**NEW PLAYERS** | Players new to the league will be assigned to a team by the IAHA. All new B/C players are required to play in at least one pre-season game.

**WEBSITE** | Check our website at [www.ithacaadulthockey.com](http://www.ithacaadulthockey.com) for schedules, scores, standings, and announcements.

**SPONSORS** | Any individual, group or business wishing to sponsor a team in the league may do so by supplying team sweaters or paying a sponsorship fee to the IAHA. Team Sponsors will be recognized on the IAHA website.

IAHA will be happy to include links to businesses and organizations on our website. Contact us if you, or anyone you know would be interested in discussing sponsorship.

# ITHACA ADULT HOCKEY ASSOCIATION

## 2021-22 RULES

### League Rules

0. COVID. All participants must be vaccinated against COVID 19. Proof of vaccination is required in order to participate. The IAHA will be following Tompkins County Health Department guidelines plus additional safety requirements as needed. The league will follow the requirements imposed by the most restrictive of the two rinks (Cass Park and the Rink). The league will require those same protocols in both rinks. If one rink requires masks in parts of their facility, masks will be required at both rinks. If and as protocols change during the season, we will make those same adjustments. As of October, 2021, Cass Park is requiring masks to be worn inside – the lobby, locker rooms, bathroom but not on the bench or on the ice.
1. No person will be allowed to participate in this league until they have properly completed the IAHA and USA Hockey registrations, and have paid their registration fee.
2. You must be 18 years of age before you can play a game in the IAHA.
3. No refunds will be issued after the first scheduled ice time. Player registration fees are non-transferable.
4. The assignment of players into teams and divisions will be the responsibility of IAHA.
5. All players and goaltenders must wear the same color jersey when playing. IAHA will provide team jerseys.
6. Any team allowing a person to play for them who is not on their roster (or who is suspended) will forfeit that game. In addition, the captain of the team will be suspended for three games. A goalie may be replaced due to injury, illness, etc. from a pool of goaltenders kept by league officials. Each team may register three substitute players, with IAHA approval, who may fill in for missing players. Sub players must complete IAHA and USA Hockey registrations, be approved by IAHA, and pay the registration fee prior to participating in any game. Subs may not participate in playoff games. Players may not register to play – full time or sub – on more than one team per division.
7. Admission to this league is on a first-come, first-served basis. Each team is limited to a maximum of thirteen players plus one goalie on their roster. A waiting list will be kept of additional persons wishing to join the league.
8. Injured players may be permanently replaced on a team's roster, with IAHA approval, prior to the beginning of the playoffs for the division. Requests to replace players for other reasons, must be made prior to the beginning of the team's 20<sup>th</sup> game. Prior to a team's 20<sup>th</sup> game, players on the waiting list will be given preference over a captain's request. The replacement candidate should be an existing sub or otherwise of known skill level to the Board, and, in most cases, the replacement's skill level should be comparable to or below the level of the player being replaced. The Board may assign a replacement player at any time.
9. All protests must be made in writing within 24 hours of the game played and submitted to a member of the IAHA Board. All protests and problems will be dealt with by IAHA within 10 days of its receipt; decisions will be final. On-ice judgment calls by a referee will not be considered grounds for a protest.
10. A player who consistently misses games may be replaced by a player on the waiting list at the request of the team captain.
11. Game misconducts, reports of "cheap play," unsportsmanlike or inappropriate behavior, verbal abuse, and certain other penalties will be reviewed by the IAHA Disciplinary Committee. After approval of their recommendation by the IAHA Board, the Disciplinary Committee will notify players and their team captains of suspensions. Repeat offenders, gross misconduct or intent to injure penalties may result in expulsion from the league.

# IAHA RULES CONTINUED

## Playing Rules

1. USA Hockey senior rules will be used during league play except as otherwise modified in the league rules.
2. All players, without exception, will be required to wear currently approved HECC helmets and facemasks (half-shields are allowed). In addition, all players will wear only approved ice hockey equipment. Equipment must fit and be worn properly. A game referee or league Board member may expel from the game any player who violates this rule. A player caught wearing or using illegal equipment a second time in the same season may be expelled from the league.
3. All games are scheduled for a time period of one hour and 15 minutes. This will consist of a 5-minute warm-up, three 20 minute, running time periods, and 2 minute rests in between periods. Games may end in ties. No overtime will be allowed except in the playoffs.
4. Slapshots are prohibited. Raising the blade of the stick above the plane of the waist, in either the wind-up or follow-through, shall be considered a slapshot. Violation of this rule shall result in play being stopped and the ensuing face-off held by the end zone spot of the offending team.
5. If, at the discretion of the referee, a player uses or attempts to use a slapshot or any other action to intimidate an opponent, a minor, major, misconduct or game misconduct penalty may be called. A game misconduct penalty using this rule shall only be for the current game.
6. Due to the nature of this league (recreational), there will be no body checking or excessive contact allowed. A violation of this rule shall result in a minor or major penalty at the discretion of the referee.
7. The duration of all penalties shall be set forth in USA Hockey rules unless otherwise noted herein: minor 2 minutes, major 5 minutes, etc.
8. If a fight occurs, the participant(s) in the fight will be immediately expelled from the game and must also sit out their team's next five (5) games plus any additional penalties assessed by the Disciplinary Committee and Board.
9. Any player who receives 2 game misconduct penalties during the season may be suspended or expelled from the league at the IAHA Board's discretion.
10. Timeouts will be allowed if the referee determines there is sufficient time remaining. Timeouts must be called prior to lining up for a face-off. When a timeout is called, the referee will make note of the time on the clock and adjust the game time to the time noted.
11. With two minutes or less remaining in the game, and a two goal or less differential, if a penalty is called on the team leading (or either team if the game is tied), the clock will be reset to the time at which the play was stopped. The clock will not be stopped or reset if a player on the losing team is the only player penalized.
12. IAHA reserves the right to modify these rules at any time. All decisions of the IAHA Board are final.

# ITHACA ADULT HOCKEY ASSOCIATION 2020-21 DISCIPLINARY POLICY

The Disciplinary Committee is commissioned by the IAHA Board to set guidelines, review incidents, and recommend appropriate disciplinary action to the full board.

The Committee members are:

James Orcutt, Jr., IAHA Board, Disciplinary Committee Chair, [james@jamesorcutt.com](mailto:james@jamesorcutt.com)

Brad Buell, IAHA Board, [bdbuell1313@gmail.com](mailto:bdbuell1313@gmail.com)

Brad Norton, IAHA Board / Referee, [bradrnorton@gmail.com](mailto:bradrnorton@gmail.com)

Eric Cyker, IAHA Board, [eric@compcenter.com](mailto:eric@compcenter.com)

A review will be initiated whenever a game sheet indicates any game ejection or misconduct penalty. A review can also be requested by any league participant when he or she feels a player has acted too aggressively or in an otherwise inappropriate manner, even if no penalty was recorded. To request a review, email a committee member. Include details of the incident and the names of others who can corroborate your complaint. Anonymous reports will not be reviewed. Accused players will be given an opportunity to comment. Referees are contacted to obtain their perspective of each incident. Reviews are handled primarily via e-mail.

We understand this is not a complete list of the infractions. We have classified these into several degrees of seriousness. As necessary, we will add to the list. We have chosen these actions as inappropriate in our league. We feel they simply are not part of the sport of hockey and do not belong in our adult league.

The suspensions listed are guidelines we will use. We will review each incident individually. We feel it is unlikely that it will be appropriate to reduce a penalty below what we have listed; hopefully it won't be necessary to lengthen a suspension. But we are retaining the flexibility to do either.

Suspensions will carry over into the following season, when necessary.

If a substitute player is involved, rather than trying to figure out when the player would have played again, we will simply double the total suspension (USA hockey + additional suspension). For those players who both sub and hold a regular roster spot, the eligibility date will be based on the player's regular league schedule, regardless of the league in which the incident occurs.

All recommended penalties listed are in addition to any required USA Hockey suspensions:

#### No Additional Suspension

- Third player interfering with a fight, if the involvement does not cause the fight to escalate.

#### Additional One Game Suspension:

- Fourth and subsequent players interfering with a fight, if the involvement does not cause the fight to escalate.
- Third and subsequent game ejections because of four penalties in one game.

# IAHA DISCIPLINARY POLICY CONTINUED

## Additional Two Game Suspension:

- Sucker Punch
- Flagrant Two-Handed Slash
- Fight Instigator
- Third and subsequent players interfering with a fight, if the involvement causes the fight to escalate.
- Leaving the bench during a fight
- Leaving the crease to join a fight

## Additional Three Game Suspension:

- Hit-from-Behind into the Boards or Net
- Spear
- Butt End
- Kick
- Head Contact Major

## Additional Four Game Suspension:

- Fighting

## Season Suspension - Player must meet with the Board prior to the next season:

- Wayne Maki/Marty McSorley type stick swinging
- Flagrant Intent to Injure
- Injury to a Player or Official as the result of any of the above infractions, if the action is deemed deliberate or reckless
- Second penalization for any of the above infractions in the same season. The Board may impose a season or extended suspension for repeat offenses that occur over multiple seasons.

## Abuse of Official

- Mild Verbal Abuse – no additional games
- Continued abuse after being given ample time to settle down – one additional game
- Threatening or making contact with Official – three additional games
