Treasurer's Report:

- Roughly \$35K in the bank and some in the school account.
- July was a typical month with money coming in and out. Largest transactions were around the golf outing and apparel expenses.
- Received bill from Golf Course - \$11k net. Big thank you to Tracey Davis and other Davis sister but not actual sister. And thank you to Andrea and Mike for the split the pot. About a \$2k increase from last year.
- Right now \$16k in school account and we owe it another \$16k. We have about \$35k in cash in bank account. We are about \$15k behind from where we were last year. We only have 4 home games this year. We need to start planning for OHSAA Playoffs now, both concessions and parking. We need to find someone to lead that effort.
