

CEVA CLUB NEWSLETTER – 8/24/2023

- **If you haven't activated your club yet for the 23-24 season**, we encourage you to do it now and get it out of the way. Start with [purchasing your membership](#) for the upcoming season and signing your Club Directors' Handbook, which was sent to you on 8/1 via DocuSign. Contact [Alix Montoya](#) if you have questions on this process.
 - o **Remember – your background screen is a separate process & purchase**, and you need to complete Safesport, for your membership to be fully eligible.
 - o Make sure, once you purchase a membership, that you **send a club assignment to yourself in SportsEngine** so you maintain access to your club's HQ and can be placed on your own rosters.
- **Junior Memberships will open on 9/1.** Please encourage your players to purchase a tryout membership then upgrade to a full-season membership once they make a team.
- **Tournament registration starts on 10/2. You must have an AES account to register for these events. Clubs who choose to pay for an AES-registered tournament with a check are subject to the same provisions for acceptance as teams who pay online. Overpayments will not be credited to a club's account with CEVA.** Events open for registration will include our Kickoff Tournaments, Presidents' Day Weekend events, and Friendship Tournaments. Payment is required for teams to be accepted. See our deadlines and refund policies [on this chart](#) and read more about payment policies [on the website](#).
- **CEVA will be continuing the Purple Card policy in 23-24.** Thresholds have been added and monetary fines can be issued to clubs who accumulate these sanctions. As you plan your parent meetings for the upcoming season, please make this a topic of conversation. Read the [full policy here](#).
