Why do you wish to become a board member? *

To keep our rich hockey tradition going forward for our kids to enjoy!

Briefly describe your hockey background (player, parent, coach, manager, etc.) *

I have been very fortunate to have played hockey in So St Paul. Started in Mites and played through High School. I also work in the hockey industry as a General Manager for Play It Again Sports.

What is one thing you would do to improve the program? *

I would build on the integrity already in place. To ensure that our association has our kids best interests in mind!!!

What qualifications or special skills do you have that would benefit the association? *

I believe that I am a good communicator. I am able to see things from multiple points of view. I am able to problem solve that is in the best interest of all parties.

Please describe your previous volunteer experience, if applicable *

For over 10 years, I facilitated USA Hockey's Try Hockey for Free day. I would travel to several local organizations and bring the gear needed to get potential kids on the ice.
