

Dear Friend of Paris FC,

I am sending this letter out asking for your support by sponsoring our 2025-26 Paris FC soccer program.

Paris FC is a non-profit organization providing an affordable opportunity for youth in Paris, Brantford, and Brant County, as well as surrounding communities. We are a rapidly growing competitive and developmental soccer club with boys and girls competitive teams ranging from U8 to U21 in the Hamilton District league, the PHSAL IModel league (Girls – U14, U15, U16, U17 and Boys – U14, U16, U17), and OSL Regional (U21 Boys). We have a thriving development league (both summer outdoor and winter indoor) starting at U4 (three years old) and continuing to U11. We are also planning to add an Open Mens team within the OSL Regional level.

We are a 100% all-volunteer club, therefore the full amount of all sponsorship and personal donations goes directly to the youth to offset the cost of playing. Sponsorship will financially support our club's efforts to provide free skills camps, tournament fees and team equipment and apparel.

There are several different levels by which sponsors can support our club *and* market their business. Please consider providing our club with tax-deductible financial sponsorship this year. Your support would be greatly appreciated and help keep the game affordable for players and their families!

Thank you,

Rob Ostrowercha - President, Paris FC
