RE.: New Boys Golf Coach

Tim Maluski has been hired as the new boys golf coach at Park High School. He takes over for Jay Moser, who led the program for the past two seasons.

Coach Maluski served as an assistant coach with our boys program last year. He also has experience coaching a variety of sports at different levels. Tim will lead the program with his core values of empathy, teamwork, and respect. He is an insurance agent in Cottage Grove.

“We are looking forward to Tim taking over the boys golf program. I know he will continue the success that we have had on the course in past years while also teaching lifelong skills that will remain with our student-athletes forever. His purpose is to ‘teach boys to develop and keep their passion for sports. Also, to give them the skills to be great teammates, leaders in our community and to respect everyone,’ which will help Park’s student-athletes in both golf and life.”

Coach Maluski will hold an informational meeting with boys golfers later this fall or winter.

The mission of the Park High School Activities Department is to create learning opportunities for students to develop character, become well-rounded citizens, and achieve excellence in their activities, school, and community.
