North Tartan Dominates at State Part VIII

There is a strong correlation between being a North Tartan athlete and a State Champion (AAU). This year once again the club won 4 of 7 age groups and finished 2nd or 3rd in the other. Over the past decade North Tartan has owned the State Tournament, and once again had NO INTENTION of sharing. Athletes were focused, coaches stayed dialed in, and once the ball was tipped the intensity mounted. It became evident throughout the day as NT alumni attended, teams advanced, and coaches were seen still scouting, that success would follow.

Here is the grand total of the MN State Girls Basketball Championships won by program during the years 2010 - 2018.

June 15-17 North Tartan Summer Jam

Families, since we will be having 15 courts streamed during the Summer Jam we will be looking for volunteers to help "video" each court. Of course, we want to have each game not only recorded, but complete and well done. There are college coaches that will watch games as well as grandparents. Once the schedule is out we will send a link for volunteers.
