Finalize budget to include social media

Lisa - SM update. We have a contact for this season.

She will focus on Posts, Instagram stories, hype content

Need a Parent who wants to volunteer to receive pics/videos from games from SM contact and organize by individual players

Collect videos to also include for end of year video etc.

Parent will also handle the posts for holidays and sponsorship posts - Not the "hockey/hype" posts

Steve Carter can take pics again, maybe get involved with video

Possibly use same person for 2 years for Social Media - current year junior

** F/U: Mike followup with a parent for possibly managing these photo catalogue

Motion to approve lower budget - Nic

Mike, Lisa Seconds

Registration - Tony

Created on sports engine

F/U: Should be able to get live by 8/1

Nic to add to website

F/U: Mike to send an email to entire hockey club - want to say something about registration timing

As soon as teams are communicated - then registration link sent to players for season

Need to make decisions regarding hardships etc.

Everyone has to be clear that to get on the ice for season, have to have safe sport completed

Use wording seen on another website

Nic: F/U: Add something to website regarding safe sport

Mike send a draft tomorrow of email to entire club

Update website to reflect info - Nic

Coaches bios can get on website - Nic
