### WC Baseball Association To Hold Organizational Meeting

The newly formed West Central Baseball Association will hold its inaugural information and organization meeting on Thursday, January 23 at the Hartford Fire Hall beginning at 7:00 pm. Registrations, scheduling of fields, and team assignments for the Hartford/Humboldt area youth summer baseball program will be managed by the association beginning this 2014 season.

If you are interested in summer baseball or have children playing during the summer and would like to know more about what is planned, please plan to attend. The meeting will start with an overview of where things stand and how the West Central Baseball Association came to be and finish with the election of the Board of Directors. Again, this is open to the public and we would like to answer any questions or concerns you might have concerning summer baseball. Also, if you are interested in being active in the association, please plan to attend. Questions can be directed to [wcbassoc@gmail.com](mailto:wcbassoc@gmail.com)

### Softball Registration Drive Begins

It may be cold, but the registration drive for the 2014 softball season is in full swing. The 5 to 18 Girl's Fast-pitch Softball Teams in the Humboldt area are now accepting registrations. For those that are interested in playing in the 2014 season and don't have a team yet, the Hartford Area Softball Association is holding a registration drive on January 26 at the Pizza Ranch from 4:00 pm to 7:00 pm.

Last year's players and coaches can be contacting their coaches to confirm how they will be registering. All existing players or those who would like to be a coach, are encouraged to show up at the registration event to learn more about the 2014 season registration process.
