Our showcases are designed to highlight the players skills as they are run through drills and play games.

This is a great opportunity to get exposure to college coaches. College coaches will be doing evaluations and coaching the games. Hitting, fielding, throwing and catching skills will be evaluated in a fun and enjoyable atmosphere.

The evaluations are done by professional coaches and distributed to 180+ coaches across the country for recruiting purposes.

Check-in begins Saturday at 7:30am. Drills begin at 8am. Following the drills, players will be assigned game times for Saturday afternoon and Sunday.
