

# ***STALLION BOOSTER CLUB***

## ***"SUPPORTS THE BRAND"***

### **WHO WE ARE**

Following in the footprint of the RFTB moto adopted by the school, the one Stallion Booster Club was formed. This is unique to our high school and one of the only organizations like it in CUSD and the surrounding area. It allows us to support all of our Athletic Programs under the banner of One Booster Club. It brings a sense of teamwork to our community, and allows our community to support each other as a whole, rather than individually. Our primary focus is to assist the athletic department in creating an environment that inspires student-athletes, coaches, parents, and the school community to collectively create a positive and spirited atmosphere for all athletic programs.

### **WHAT WE DO**

The Stallion Booster Club provides the financial support needed to bridge the gap between the school budget and the services, facilities, and equipment needs of the Athletic program and promotes all sports teams at San Juan Hills High School, provides recognition of all athletes, and increases the enjoyment of the home game experience for players, parents, and all the fans. In conjunction with the Athletic Department, we also provide an expansive Sports Medicine Program that serves all of Athletics and allows for an on campus Athletic Trainer. Also provided is a Strength & Conditioning Program & on campus Strength Staff, that are utilized daily by our Athletes. There are very few schools that can provide these type of programs.

### **WHAT WE DID LAST YEAR**

In addition to the above items, the Stallion Booster Club worked on some other projects. We branded the Tennis Courts, making them look top notch to celebrate our CIF Championship teams. We brought back the Gold Games to pack the stands full of students and provide them with free food to come cheer their team on. We treated a bus full of excited students returning from the Boys Basketball CIF Championship game to In-N-Out. All the money raised during the Christmas Tree Fundraiser went directly back into the sports that sold trees. We granted \$5000.00 in Scholarships to Senior scholar athletes. We are in the process of updating the VIP Reserved Section in Badlands Stadium with new seats to go along with our new state-of-the-art turf field. We are very excited to see what we can accomplish in the 2022/2023 year with your help!
