Athletes that Letter in the 2022-2023 Season. Badger stated that his staff would spend a lot of time preparing the F's, bars, and certificates and they would end up in the trash before kids left school. They decided it was not a good use of time and money, so they deferred this to the school store. He agreed to still cover the chenille F's via the Athletic Department budget on a request basis only. At the end of the season, we will need to let Badger know how many F's are needed and then he will place the order at the school store on behalf of boys' basketball (the "F" is \$10 each and will be paid by the Athletic Department). The Basketball Board would be responsible to order and pay for any pins and bars. They can be ordered via the school store. Pins and bars cost about \$0.50 each.

[Tharen will find out at the end of the season who wants the F/bars and submit the order to badger. They can be presented to the athletes at the banquet.](#)

Warmups Criteria for the 2023-2024 Season. See attached proposal document for review and discussion.
