

Mount Si Wildcat Football Family,

It is with great enthusiasm and honor that I accept the job as your new Head Football Coach at Mount Si High School. Over the past 25 years, I have participated in every aspect of our program, from junior league player, to high school player and captain, to alumni, and now for the past 15 years, as an assistant coach. I take tremendous pride in what it means to be a Wildcat and care deeply about our traditions as well as our future. This afternoon I was able to share this news to our players, and I could not be more excited to begin this new chapter of Mount Si Football with them, you, and our entire Snoqualmie Valley community.

Growing up in the Snoqualmie Valley was a blessing for me. Both the education I received and the involvement in the extracurricular programs I experienced, inspired and shaped me to become the man that I am today. The Snoqualmie Valley continues to be the cornerstone of my life. My wife and I have chosen to work for Snoqualmie Valley School District and are raising our two young children here, with the hope they will become future Mount Si Wildcats someday. We are fully invested in the SVSD and truly believe in everything this amazing place has to offer.

As Head Football Coach at Mount Si, my mission is to maximize the potential of each student-athlete in the classroom, on the field, and in our community. I believe in building meaningful relationships with our players, enhancing their strengths while further developing positive character traits. With strong, trusting relationships, we can set high expectations, foster accountability, and achieve our goals together. We will teach our student-athletes, not only to be competitive on the field, but also how to serve others and to be contributing members of a community. I also look forward to developing positive relationships with our parent community, Boosters, and Jr. Wildcat program. Collaboration with all involved will further our team's success.

I am so incredibly honored to become the Head Football Coach at Mount Si High School. I am very eager to begin working with our players, coaches, administration, and parents. I know the future is bright! It excites me beyond belief that I can continue to give back to a program, district, and community that has given so much to me. Go Cats!

Sincerely,

Coach Botulinski
