

## Annual Meeting of TGHSLL Board of Directors

November 3, 2025

Quorum was present with Kristi Cancelmo, Scott Yurashek, Lewis Wright (current President) and Bob Martien present. Lewis nominated Bob to be Secretary and all voted yes. All members present agreed to be board members for 2026 and all voted yes. Maryam Rafiee was voted in as Treasurer. Scott was nominated to be President for 2026 and all voted yes.

New DCs should have a probationary period before voting on them to be Board members. Simply to ensure they understand rules and show themselves to be team players. Board voted 4-0 to have 90-day minimum probationary period. This is a minimum and could be extended as appropriate.

New business:

The annual League meeting to be held in early December. Needs to be scheduled.

- Announce new President for 2026
- Rule proposals (some need fleshing out) to be sent 14 days before League meeting:
  - Cross District Coaches Advisory Committee (put authority in a committee rather than DCs)
  - 2/3 vote by district members to remove their DC (currently no way to remove DC)
  - Super regionals move up one weekend (avoid proms)
  - Players to be rostered by Jan 15, if team folds then eligible to go to other teams, not rostered then ineligible to move (protect team integrity)
  - Change JV player restrictions to allow JV to play season games to ensure more fair play when strong team plays a weaker team (sportsmanship)
