Subject: Ontario Soccer Futsal Programming Survey

Futsal continues to be a key priority for Ontario Soccer, as identified in its [2022-2026 Strategic Plan](#), with the overarching aim to grow and develop the sport through programs, services and new initiatives. After delivering the inaugural Grassroots and OPDL Futsal Festivals throughout the Indoor 2024-25 season, which saw players, coaches, match officials and spectators all gain more first-hand experience with the modality of futsal, we are now preparing for the next phase of futsal programming implementation.

While the data and video collected through the grassroots initiatives continues to be compiled and analyzed, as announced via [Information Bulletin 2024-049](#), Ontario Soccer is looking to engage the membership to plan for the Indoor 2025-26 season by better understanding:

1. What youth futsal competitions would each club be interested in participating in?
2. What grassroots futsal competition would each club be interested in participating in?

Declare Your Interest

We encourage all Member Clubs to declare their interests for futsal competitions at the various ages for the coming Indoor 2025-26 Season to assist Ontario Soccer with planning for these new programs.

To declare your club's interest, which closes on **May 4, 2025, at 11:59 PM**, please visit:
