

Welcome back to Hockey season! We are excited to kick off the season with this year's Returning and New Fundraising options!

Fundraising is crucial to the Rice Lake Youth Hockey Association and is **REQUIRED** by ALL association families, except for Learn to Skate and Mini Mite (U6) players. The money generated through fundraising goes directly toward monthly operating expenses, but most importantly keeps our hockey fees more affordable for all our players and families.

As agreed to in your registration materials, **Mites(U8) and Travel Teams are REQUIRED to** generate a minimum of \$350.00 in Sales per player (\$350 worth of items) from fundraising options. The maximum obligation per family is \$400.00. Families also have the option to Buy Out.

ONLY ONE CHECK WILL BE ACCEPTED AT FUNDRAISER TURN IN per family! In an attempt to simplify record keeping, please collect money at time of sale and have the people who purchase items make checks payable to you, and then you write **ONE Check to Rice Lake Youth Hockey with your Child's Name on the memo line** to cover the cost of everything you sold. **All money is due at the time the order forms are turned in.** If you choose the buy-out option, payment in full is due on or before **October 24th, 2025.** Failure to complete this obligation can result in your children's non-participation on the ice.

Please NOTE: Fundraising is separate from work/volunteer hours that are also required.
