On behalf of our players, coaches, and families, thank you for showing up to support Lakeville North Girls Hockey.

As stated in our mission statement, The Lakeville North Girls Hockey program gives players the opportunity to represent their school and community, while competing on an athletic team. This team is committed to the relentless pursuit of development and achievement both on and off the ice.

Our student athletes do this by encouraging each other and exemplifying integrity, determination, teamwork and empathy. Our goal is to build a unified & winning hockey team as we strive for excellence in all personal, academic and athletic endeavors.

Last season we were honored to represent Section 1AA at the MSHL State Tournament. We are excited to build upon that success and push for even greater success this year. We will proudly be representing the community of Lakeville at the Hockey Day Minnesota televised game in Warroad, MN on January 27th, 2024.

Lastly, we encourage you to patronize our amazing sponsors that are listed in this book. Without them, this season would not be possible. Thank you for bringing your enthusiasm and support to Ames arena.
