Overview

Park City Ice Miner's Mission

The Park City Ice Miners (PCIM) is dedicated to providing a positive learning experience as we challenge our players to grow in every aspect of the game. It is our goal to develop character, sportsmanship in all players, coaches and parents, and physical fitness among youth in the northern Utah area; promote, encourage, and improve the standard of amateur ice hockey; associate with other ice hockey associations; expand the game of hockey on the Wasatch Back through public awareness and development of as many youths as possible; and to perform or participate in other activities that will aid in reaching these objectives.

Short History

PCIM is a 501(c)3 charitable organization registered under the name of Wasatch Back Amateur Hockey Association. PCIM was formed in 2007 shortly after the opening of the Park City Ice Arena, our home ice rink located in Park City, Utah. PCIM is affiliated with and operates under the guidelines of USA Hockey and the Utah State Amateur Hockey Association (UAHA). Games are conducted according to the rules of USA Hockey and UAHA.

Programs

PCIM is required to provide programs consistent with those allowed by the Utah Amateur Hockey Association (UAHA). UAHA offers 5 levels of play in Utah: Tier 1, Tier 2, Utah Youth Hockey League (UYHL) Travel A, Travel B, & Div. 2.

PCIM offers several different programs for its members and provides options for all levels of play for both boys and girls of ages 18 and under. No hockey knowledge or skill is required to start with PCIM program. It is recommended that players interested in joining PCIM have some skating experience. The Park City Ice Arena offers several Learn to Skate and Learn to Play Hockey Programs. A summary of the programs is listed below and are defined in more detail on the subsequent pages.
