

Erik Hudson SAHA Board of Directors Nominee- Alabama

Since I was young, the game of hockey has given me the greatest experiences of my life. Best friends, family, a career in hockey, and I have loved every minute of it. I am honored to be nominated for the Board of Directors position because I want to continue to give back to the game of hockey.

My experience in developing programs successfully, coaching at all levels of hockey, as well as implementing successful programs in a non traditional hockey market makes me a strong candidate to represent Alabama in this position. I think that through the experience of the other Board members, as well as the experience that I bring, SAHA will be in a great place to continue to develop and grow our youth hockey programs.

Working closely with USA Hockey since 2012, I have been able to learn and educate myself from some of the greatest minds in hockey. I am humbled to know that I have plenty of learning to continue to do, but I also know that I have plenty of knowledge about our great sport to make an impact on the future of our game. In a state that only features three ice rinks for our sport, I think that there is a blue print out there that has yet to be finished.

Please reach out to me with any questions about my philosophy and ideas moving forward for the State of Alabama and SAHA, my phone number is 515-451-6690.

I look forward to serving SAHA and Alabama as a Board of Directors member in the near future.

Best in Hockey,
