The Saturday 2pm game is only needed if either top seed loses at 3 pm on Friday. Just to give them a second game.  
 If both lose Friday at 3 pm – they would play each other  
 If one of them lose at 3 pm Friday – they would play winner of Friday 1:30 pm game  
 If both win at 3 pm Friday – then this game is not needed

**Higher seed is home team and provides game ball. If both seeds are the same – then west is home team.**
