26 June 2020

Player/Parent/Guardian Update

### **Bradford Wolves Soccer Club**

#### **'Return to Play'**

**Bradford Wolves Soccer Club Announced on June 20th 2020 that the club was in preparation to return to the field following the instruction from Ontario Soccer, completion of our own 'Return to Play' Plan and completion of Canada Soccer's Online Risk Assessment Tool, receiving a Low Risk rating.**

With that, the Club now happily welcomes our registered Competitive and Academy players back to the field for our Phase One (1) training sessions.

We are targeting Training Sessions to resume the week of July 13<sup>th</sup> 2020 in accordance with our Guidelines set out in our Return to Play Plan. We ask that everyone familiarizes themselves with this document.

Sessions will feel different at first, but it is the first step to getting back onto the field in a safe manner.

#### **Phase One (1) of "Return to Play"**

This is not to be confused with the Province of Ontario's Phases regarding lifting of lockdown restrictions.

**Bradford Wolves will fully support the decision of any members, players, coaches, officials and volunteers that feel uncomfortable with returning to the field at this time.**

**Positions within Teams/Rosters, Coaching Roles or club Administrative Roles will not be lost should you not yet wish to return.**

**We ask that you please consider the welfare of any persons that you may live with such as, persons with any underlying health conditions and/or persons over the age of 65 that may be particularly susceptible to Covid-19 BEFORE you consider returning to play.**

Phase one (1) Return to Play comes with the following mandatory restrictions which must be followed. These include: **No Contact, No Competitive Drills, No Matches of any kind.**

The Club will also be implementing a "Feet Only" Protocol when using the ball which prohibits the use of hands or heading of the ball as suggested by Ontario Soccer.

The Club highly recommends use of face masks and gloves.

The Club is required to carry out 'Contact Tracing' protocols. Any person attending a training/ game session will need to be logged, including name, date of birth, address, and the times of arrival and exit of the facility.

In addition, there is a specific set of Recommendations and Guidelines for Players & Parents/ Guardians. some of which are mandatory.

We ask that Players, Parents/Guardians read through the relevant guidelines enclosed with this letter and we **require** a signed copy of each (one for player and one for parents/guardians)

Before returning to the field we **require** signed waivers (enclosed with his letter), as per Ontario Soccer. (these are Legal Documents and if you are unsure about signing, the club recommends seeking independent legal advice)

Players are also required to complete a Health Questionnaire for **every** training session.

Please use the check list below to ensure all requirements are met.

All paper work **must** be completed prior to coming to the training grounds. *Failure to provide all completed paperwork will result in the player not being allowed to enter the field.*

The Club will be appointing 'Field Marshals' at the locations used for training sessions to oversee the operations and to ensure adherence to the guidelines as set out by the club.

If members, participants, parents/guardians, staff or officials fail to follow the guidelines as set out by the club, marshals will have the authority to shut down the operation.

Whilst these restrictions are different from our usual operations, they are designed to mitigate potential transmission of Covid-19 between participants, staff, volunteers and officials.

If you have any questions, please send an email to [bdscwolves@gmail.com](mailto:bdscwolves@gmail.com) or [David.wolvesfc@gmail.com](mailto:David.wolvesfc@gmail.com)

Thank you and stay safe!

Bradford Wolves Soccer Club
