It is recommended that the terms of directors and officers be staggered.
- C. Voting.** Each Registered Participant Member of the Member shall be entitled to one vote in the process adopted by Member for the election of its Board of Directors. The process adopted by Member for the election of its Board of Directors shall be based upon the premise that each Registered Participant Member shall be entitled to one vote. The manner of any voting by proxy, shall be stated in writing and shall be subject to the approval by the MAHA Executive Committee.
- D. Annual Meetings.** Any action(s) or policy(s) adopted or requested to be adopted by the Board of Directors or the officers of a Member shall be reported to its membership, or their duly authorized representatives, at least once each year at a meeting called for such purpose, with notice and agenda of such meeting, along with published logistics and procedures, being given to all individual members of the Member no less than fifteen (15) days in advance of the holding of the meeting, which meeting shall be open to all individual members of the Member.
- E. Financial Reports/Dues and Assessments.** Member shall provide to each of its registered individual members in good standing either at its Annual Meeting or within sixty days of the close of its fiscal year, a written annual financial report of

its ice hockey operations. Members that are exempt from Federal taxation as not-for-profit corporations may fulfill this requirement by complying with applicable Federal laws governing financial disclosure. MAHA's Executive Committee may request additional financial information as it deems necessary. All dues and assessments by Member Associations shall be reasonable in relation to the programs it offers to its individual members.

F. Payment Policies. Payment policies required of legal guardians or registered participants shall be clearly stated in writing and distributed to registered participants or their guardian(s) before any written contract is signed by a participant or his/her guardian(s). Member must enter into a written agreement with the participant/legal guardian. Once the established tryout date is reached, a non-refundable deposit may be collected at the time such a written contract is signed. In the event that a participant does not complete the full hockey season, and seeks from MAHA a release, the payment schedule below will be the guideline for determining the amounts a participant/legal guardian may owe:

Associations Administering Tier II and Tier III Teams

If the player is requesting the release, to play for an identified Tier II or Tier III Association team in Michigan, the fee schedule for Associations Administering Tier II and Tier III Programs fee schedule shall apply to the release.

MAHA will not consider contract provisions collecting player fees in excess of the guidelines as a basis for denying a release to play. Participants and/or legal guardians will also be required to pay in full for any equipment/apparel ordered for the benefit of the participant.

Section #1 – Cash Receipts Handling

From time to time it is necessary for our volunteers to receive cash as a means of payment. When dealing with cash receipts, it is very important to follow the procedures outlined below. This allows for proper record keeping and provides a paper trail in case there are discrepancies.

Cash Receipt Handling Procedure

- If you receive cash as a payment, give a receipt to the person making the payment. Also please keep a copy of the receipt with the cash. Both copies of the receipt should be signed by both parties involved.
 - The receipt should document the date of payment, person making the payment, reason for payment, and amount of the payment.
- If you are seeing the Treasurer within 7 days, give the cash to the Treasurer along with the receipt.
- If you are not seeing the Treasurer within 7 days, go to your local financial institution and get a cashiers check or purchase a money order with your cash and mail it to the Treasurer. Make a copy of the cashiers check or money order for your records. If there is a fee to purchase the money order, take the fee out of the money being sent.

Section #2 – Check Receipts Handling

Checks are the most common method of payment to MAHA. Checks are always preferred over cash payments as they provide more documentation.

Check Receipt Handling Procedure

- All check payments should be made payable to MAHA or Michigan Amateur Hockey Association. Checks should never be made payable to an individual.
- The memo line should reflect the reason for payment. This allows for easier entry into the financial accounting software.
- Upon receiving a check as payment, make sure the numeric dollar amount on the check matches the written dollar amount on the check. Financial institutions will always go by the written amount.
- Once you have verified the dollar amount on the check, please create a statement to be given to the Treasurer. The statement must include date of payment; check number, who the check is from, and the purpose for the check payment.
- Make a copy of the checks for your records.
- Within 7 days hand deliver the checks to the Treasurer or mail.

Section #3 – Expense Reimbursement

During the course of doing business, the MAHA realizes that our volunteers will need expenses reimbursed for mileage or goods/services purchased on behalf of the MAHA.

Reimbursable expenses may be for goods purchased, services, lodging, food/meals and mileage for the volunteer while conducting necessary and approved business on behalf of the MAHA.

Lodging, Meals and Tips

- Reasonably priced hotel accommodations will be reimbursed for eligible trips. Reasonable meal expenses incurred during an eligible trip and customary and reasonable tips are also reimbursable.
- When paying for a group meal or entertainment all names of participants must be listed on the receipt.

Non-Reimbursable Expenses

- Personal entertainment expenses; movies, games, health club, golf outings, alcoholic beverages (unless a reasonable charge as part of a covered meal) and other optional entertainment unless included and part of a meeting fee.
- Valet parking, unless the hotel or venue prohibits guests from parking their own vehicles
- Travel accident insurance premiums
- Costs incurred by failure to cancel transportation or hotel reservations
- Traffic and/or parking violation fines
- Travel expenses for spouses are not reimbursable except where expenses are not separable i.e.. taxi fare, hotel room and MAHA does not incur additional expense.

Mileage

Annually MAHA will review the official mileage rate set by the Internal Revenue Service to determine the MAHA mileage rate. The annual MAHA mileage rate will be set at the winter meeting for the next fiscal year.

Reimbursable Process

- Please remember when on MAHA Business, you are expected to make your purchases as you would if they were your own personal expenses. As a volunteer of the MAHA you represent the organization, all expenses should be appropriate and in keeping with their goals of MAHA.
- The MAHA has tax-exempt status with several companies. When making a purchase please attempt to exclude Michigan Sales tax, understanding this may be unavoidable. The MAHA Tax ID Number is 38-2556088. Notify the cashier when making your purchase and taxes may be exempted. For large purchases call ahead to find out if any paperwork needs to be done ahead of time. We are already setup with

companies such as Staples and Office Max. Copies of the ID card for those companies can be found in the Chairpersons Workshop book.

- After making a purchase, complete the MAHA Expense Report and attach receipts for each item. All items must have receipts. When completing the report, document the reason for the expense so it can be properly classified in the accounting system.
- Always sign and date the expense statement.
 - Note: Even when scanning/emailing the statement and receipt, you must sign your expense statement before scanning it.
- Have the Expense Reports approved by an authorized individual.
 - Expenses Reports submitted to MAHA by a member of the Board of Directors (except President) are to be approved by the President.
 - Expenses submitted by the MAHA President are to be approved by the MAHA Audit Committee Chairperson.
 - Expenses Reports submitted to the District (except District Chairperson) are to be approved by the District Chairperson
 - Expenses Report submitted by the District Chairperson are to be approved by another District Director, not the Treasurer

Within 30 days of your expenses, hand deliver, scan/email, or mail to the authorized individual listed above who will approve them and forward to the appropriate Treasurer for payment. The Treasurer will scan a copy of the expense statement and all accompanying receipts into QuickBooks and attach them to the payment record.

Section #4 – Purchasing

In 2011, the MAHA instituted a purchasing policy for goods and services to provide a more efficient and timely manner in which purchases can be made. This policy must be followed at all times unless otherwise determined by the Executive Committee.

In addition to his or her responsibility to purchase goods and services following the procedures explained in this manual, each volunteer remains accountable for the expenditure of the MAHA Funds in a manner that is necessary, appropriate, and in keeping with the MAHA Membership and their trust. All purchases made for the MAHA become the property of the MAHA. No purchase shall be made that is of a personal nature whether through the use of MAHA funds or with personal funds using the MAHA's purchasing power or name to receive favor from a vendor.

Splitting Purchases

The purchasing system has been designed to expedite purchases by delegating more authority to the volunteer while maintaining the integrity of the competitive bidding process. Therefore, the practice of splitting purchases so as to eliminate a need to solicit written quotes, sealed proposals, and/or requiring the bid process will not be acceptable.

Charging Goods or Services to the MAHA

Charging goods or services to the MAHA is a normal function of day-to-day business activities.

- When you charge goods or service always use the MAHA Corporate name and address:

MAHA or Michigan Amateur Hockey Association
5007 Washington St
Midland, MI 48642-3362

- The volunteer must use their last name as a purchase order number.
- Statements/invoices are to be mailed to the corporate address via US Postal Service or emailed to the treasurer's email address.
- A copy of the invoice will be forwarded to you by the Treasurer for payment approval and to verify the goods or services are received or are in process so payment can be processed and issued. Invoice must be returned with your approval by signing and dating the invoice with your approval. You should also include what the item is for and the account to be charged.
- The Treasure will scan a copy of the invoice and any accompanying documents into QuickBooks and attach them to the payment record
- The MAHA is a tax-exempt corporation under a 501(3) c designation and is exempt from Michigan Sales Tax. When making a purchase please attempt to exclude Michigan Sales tax, understanding this may be unavoidable. The MAHA Tax ID Number is 38-2556088.

Fixed Asset Records

All MAHA fixed assets must be registered with the MAHA Treasurer. A tag will be issued and is to be fixed to the asset. The tag should note the asset number and in service date. This will help with accounting record keeping and inventory analysis.

Section #5 – Writing Checks

When writing checks off of MAHA accounts, proper procedures must be followed. In addition, only authorized individuals should be signing MAHA checks.

The Ethics of Purchasing

Volunteers authorized to make purchases for the MAHA are entrusted with funds that belong to the MAHA. These funds must be expended only for purchases specifically related to the delivery of services to the volunteers/membership as appropriated in the budget adopted by the Board of Directors.

Conflict of Interest

Volunteers must follow the MAHA Conflict of Interest Policy. This Policy is available on the MAHA website.

Purchasing Procedures

The use of the MAHA's purchasing process is critical to the effective, fiscally responsible operation of the MAHA. The process typically accounts for larger purchases of the MAHA's total budget.

An important part of the MAHA's purchasing process is the budgeting system, which consists of these planning steps:

- Identify the need
- Budget for expenditure
- Receive approval of your budget
- Evaluate the all options
- Select the best options
-

Generally, the greater the expenditure the greater the need to perform these functions in detail.

The MAHA's purchasing process is structured to place as much responsibility as possible in the Volunteer purchaser's hands. As the dollar amount of an anticipated purchase increases, the specification and bid procedures become increasingly important, helping to ensure the effective use of the MAHA funds, maintain fairness and equity for all vendors, and provide documentation necessary to protect the individual making the purchase. The purchasing approval procedure also becomes increasingly formal, moving from the purchaser, to the Executive Board as the amount exceeds \$3,000.

Competitive Bidding Process— Purchase of Goods or Services Over \$5,000.00

The use of the competitive bidding process is fundamental throughout the purchasing process of the MAHA. All purchases greater than \$5,000.00 must be competitively bid in a manner that is fair and in the MAHA's best interest. Competitive bidding is an effort to purchase at the lowest price that meets MAHA specifications. Therefore, the MAHA is not obligated to accept the lowest bid, if that bid does not meet specifications. Exceptions to competitive bidding may occur; these exceptions are identified in this manual. A minimum of three bids should be requested prior to making a decision.

Check Writing Procedures

- Checkbooks should be maintained by the Treasurer and should be held in a secure location. They should not be left out where they can be stolen.
- Checks should be completed and signed as needed. Checks should not be prefilled and left to sit for extended periods of time. Only sign checks when they are needed, never in advance.
- Checks should only be written after an invoice or reimbursement form has been reviewed and properly authorized. Payments should not be made on statements, only invoices.
- Checks should always be made payable as noted on the invoice. Checks should never be written to "CASH".
- Checks at the MAHA Executive Committee level can be signed by the President, Treasurer, or the Secretary. Checks at the District level can be signed by the Chairperson, Treasurer, or MAHA Treasurer.
- Supporting documentation must be marked when payment is made with the check number and uploaded to QuickBooks.
- Voided checks are to be marked "VOID" and retained for accounting purposes.
- At NO time should checks be made out to cash or should cash be used to pay individuals or companies for their goods or services.

Section #6 – Bank Account Reconciliations

A vital function of the Treasurer is the reconciliation of all bank accounts. Reconciliations help to detect unauthorized access to funds in a bank account, as well as help monitor liquidity levels. Without proper review, unauthorized access can go undetected.

In order to maintain a segregation of duties, reconciliations should be completed and reviewed by an individual separate of the check writing process. If it is not possible for an independent individual to complete the reconciliation, the reconciliations should at the very least be reviewed by an independent individual.

- Bank accounts will be reconciled on a monthly basis and in a timely basis using QuickBooks.
 - Reconciliations should be completed and reviewed within 30 days of the end of a month.
- Actual copies of monthly bank statements shall be forwarded to the Treasurer, and any other appropriate parties, after the reconciliation is complete.

Section #7 – Tax Exempt Status/Miscellaneous Items

- The MAHA is a Michigan Corporation and has been awarded 501c3 status by the United States Internal Revenue Service.
- The MAHA is recognized by the State of Michigan as being exempt from State of Michigan Sales Tax.
- Both of these are important and vital to the operation and goals of the MAHA and must be protected at all times.
- The MAHA operates on a Fiscal Year beginning on May 1 and of each year and ending on April 30 of the following year.
- The MAHA currently uses QuickBooks online to record financial transactions. All transactions, including uploading of bills and receipts is to be done on QuickBooks online in a timely fashion.
- By keeping financial records on QuickBooks online, this allows our Treasurer and our Accountant access to our financial records 24/7. The actual documents are to be kept by the Treasurer for a period of 7 fiscal years.

Section #8 – Budgets

The MAHA will follow the following budget process:

- QuickBooks shall be used for Budgeting.
- By December 15th of each year, the responsible person for the program or district shall receive a statement generated thru QuickBooks including total income/expenses for the previous fiscal year and total income/expenses for the first 6 months of the current fiscal year.
- By January 6th of each year, the responsible person for the program or district shall forward their budget for the next fiscal year to the treasurer using the proper budget format.
 - Document each Event, Program or Other expenses within you area
 - List each Event or Program separate and label accordingly so we can see the estimated expenses for each.
 - Add any additional expense categories you need to if the appropriate category has not been provided.
 - At the bottom of the sheet give us a brief description of your anticipated Events and Programs, including an estimate of the number of participants.
 - **Do not include use income to offset expenses. Just give us your expenses and we can calculate fees that need to be charged to cover expenses.**

- The Treasurer will forward the budgets on to the budget committee for review.
- By the MAHA Winter Meeting, the treasurer will prepare a budget for the next fiscal year for approval at the Winter Meeting.
- If the responsible person or district does not forward their budget to the treasurer by January 6th, the budget committee will create their budget for the next fiscal year.

Section #9 – Budgets

- W-9 reporting is done on an annual calendar basis: January- December.
- A W-9 is required for:
 - All Purchases made from a person or vendor for goods or services (this includes legal and accounting services).
 - Purchases made from Corporations – (Incorporated, Inc. or LLC) –MAHA should request a W-9 in order to prove the incorporated status, as they can be excluded from the 1099 reporting requirement if we can verify the Corporation status.
- A W-9 is not required for:
 - Reimbursed expenses made to volunteers while conducting business on behalf of the MAHA
 - Purchases for goods or services made directly from Municipalities or Educational Institutions.

Section #10 – Forms

Michigan Amateur Hockey Association Policy & Guidelines

Financial Dispute Policy

Section: Administration

Approved: January 20, 2017

USA Hockey amended Bylaw 10 in 2016 to address procedures applicable to a participant ineligibility determination based on a financial dispute made by a local program (i.e., XYZ Hockey Association). A local program may, pursuant to its internal procedures, determine that a participant that is delinquent in dues or fees owed to the program is not eligible to continue participating in the local program during such delinquency. If the USA Hockey Affiliate (such as MAHA) has a procedure in place, the local program may seek to apply the ineligibility determination throughout the Affiliate.

The Michigan Amateur Hockey Association (the MAHA) adopts this policy in an effort to comply with USA Hockey Bylaw 10 and is applicable in any instance in which a local program desires to cause a player to be ineligible throughout the MAHA. The local program must demonstrate the following if it seeks to apply an ineligibility determination based on participant delinquency in dues or fees throughout the MAHA:

1. The local program must have written internal procedures in place adopted by its Board of Directors or, if applicable, managing entity and provide the adopted written procedure to the applicable MAHA District Chair.
2. At a minimum, the local program must deliver a written notice to the participant or his or her legal guardian that (i) describes the nature of the delinquent fees, (ii) states the amount due and owing to the local program, (iii) advises that the participant or his or her legal guardian must notify the local program in writing within 30 days of receipt of the notice if there is an objection to the financial obligation, and (iv) advises that, if the full amount is not paid within the 30 day period, then the local program may in its discretion seek to enforce the financial obligation and have the participant deemed ineligible throughout the MAHA. Delivery of the notice may be made by first class mail or other delivery of service or electronic mail in the discretion of the local program.
3. The local program and the participant (or his or her legal guardian) are encouraged to try and amicably resolve the disputed amounts during the 30 day period. If the local program and the participant (or his or her legal guardian) enter into a written agreement to resolve the debt and make provisions for payment within the 30 day period, then the participant remains eligible to participate in the local program and/or all USA Hockey programs.

Michigan Amateur Hockey Association Policy & Guidelines

Financial Dispute Policy

Section: Administration

Approved: January 20, 2017

4. If the amount claimed has not been paid and there is no written agreement at the expiration of the 30 day period, and the local program has not received written notice from the participant or his or her legal guardian that it disputes the financial obligation, then the local program may request that the MAHA deem the participant to be ineligible to participate in any program with the MAHA. The local program shall make this request to the MAHA President or the MAHA VP of Appeals within 10 days of expiration of the 30 day period. The MAHA representative shall then have the right to request documentation to substantiate compliance with Paragraphs 1 through 3 of this Policy. If satisfied that the local program has followed the applicable procedures, then the MAHA would extend the ineligibility of the participant throughout the MAHA and report that determination to the MAHA Registrar. The MAHA Registrar shall not register that participant in any MAHA program, including Development Camps, Select Tryouts and other similar activities, or team roster unless otherwise instructed by either the MAHA President or MAHA VP of Appeals.

5. If the amount of the financial obligation has not been paid or otherwise resolved, and the local program has received written notice from the participant or his or her legal guardian that it disputes the financial obligation, then the local program may seek to extend the ineligibility of the participant throughout the MAHA. The local program shall make this request to the MAHA VP of Appeals within 10 days of receipt of written notice from the participant or his or her legal guardian disputing the financial obligation and provide proof of compliance with Paragraphs 1 through 3 of this Policy, and copy the participant (or his or her legal guardian) on this request. The local program shall also identify the steps taken or to be taken to affirmatively enforce the obligation (file a small claims action, send to a collection agency, etc.). The participant (or his or her legal guardian) shall have 10 days from receipt of the local program's request to file a response and state why the request for ineligibility should not be extended throughout the MAHA. This response should be a complete and comprehensive document that includes all materials the party wishes to be considered. The response shall be served on the MAHA VP of Appeals and the local program.

If the Financial Disputes Committee grants the local program's request, then the MAHA would extend the ineligibility of the participant throughout the MAHA and report that determination to the MAHA Registrar. The MAHA Registrar shall not register that participant in any MAHA program or team roster unless otherwise proof of the disputed payment is received and/or instructed by either the MAHA President or MAHA VP of Appeals. Any determination by MAHA that the participant is ineligible throughout the MAHA shall not be a determination that the debt is owed or the amount of such debt, but only limited to the determination that the participant is ineligible based on the existence of a disputed debt.

Michigan Amateur Hockey Association Policy & Guidelines

MAHA Privacy Policy Relating to Social Security Numbers and Other Sensitive Data

Section: Administration

Approved: 11/5/2010

It is the policy of the Michigan Amateur Hockey Association (MAHA) that it will not allow participation in its programs any volunteer or employee who has routine access to children (anyone under the age of majority) who refuses to consent to be screened by the MAHA before he/she is allowed routine access to children in MAHA's programs. The MAHA, in the course of accessing the requisite criminal history records relating to a coach, assistant coach, manager, referee, instructor, minor official and officers of all associations may collect and maintain social security numbers and/or other sensitive data. The MAHA may also obtain other sensitive data in the ordinary course of its business and as required by law. The MAHA will handle social security numbers and other sensitive data with a high degree of security and confidentiality.

In an effort to protect the privacy rights of individuals that provide social security numbers and/or sensitive data to the MAHA, the MAHA will:

The MAHA will physically destroy documents that contain social security numbers but need to be discarded by shredding or other secure fashion. When no longer needed, social security numbers stored in a computer database will be deleted from all programs pursuant to techniques and standards commonly used for such purposes.

Approved: 1/20/2012

This Whistleblower Policy of the Michigan Amateur Hockey Association (“MAHA”): (1) encourages the MAHA officers, directors, council members and other volunteers to come forward with credible information on illegal practices or serious violations of adopted policies of the MAHA; (2) specifies that the MAHA will protect the person from retaliation; and (3) identifies where such information can be reported.

1. **Encouragement of reporting.** The MAHA encourages complaints, reports or inquiries about illegal practices or serious violations of the MAHA’s policies, including illegal or improper conduct by the MAHA itself, by its leadership, or by others on its behalf. Appropriate subjects to raise under this Policy would include financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects on which the MAHA has existing complaint mechanisms should be addressed under those mechanisms. This Policy is not intended to provide a means of appeal from outcomes in those other mechanisms.

2. **Protection from Retaliation.** The MAHA prohibits retaliation by or on behalf of the MAHA against officers, directors, council members or other volunteers for making good faith complaints, reports or inquiries under this Policy or for participating in a review or investigation under this Policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The MAHA reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this Policy.

Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal right of defense.

They should describe in detail the specific facts demonstrating the basis of the complaints, reports or inquiries. They should be directed to the MAHA President or Executive Vice President immediately; if both of those persons are implicated in the complaint, report or inquiry, it should be directed to the MAHA Attorney. The MAHA will conduct a prompt, discreet, and objective review or investigation. Officers, directors, council members or other volunteers must recognize that the MAHA may be unable to fully evaluate a vague or general complaint, report, or inquiry that is made anonymously.

Team Financial Statements

Section: Administration

Approved: 8/29/2015

It is the preference of the MAHA that each team provides a monthly accounting of cash flows to the parents or guardians of the players on the teams' roster.

There are several financial models used in Michigan for financing youth hockey teams, the most common of which are single fee participation and pooled financial resource or monthly ice bill financing.

In the case of single fee participation, mostly used in house / recreational team financing, an affiliate Association will advertise their program as having an annual or seasonal fee of a set amount. This amount can be billed and paid in a lump sum or in several payments. Regardless of the number of payments, there is written expectation of what the fee includes and the parent / guardian of the player will be responsible of paying that fee for their child to play hockey in that Association for the season. In these cases, there is no need for a monthly accounting of cash flows as the uses of cash payments has been spelled out prior to any payment being collected. Should there be a deviation from what was promised and what is actually received either in ice time or some other significant expense, this deviation should be explained by the Association Board of Directors to all affected participants.

In the case of pooled financial resources combined with monthly ice bill financing, used mostly (but not exclusively) by Tier I and Tier II hockey teams, a budget is presented prior to the start of the season. This budget is a plan for expenses and gives the parents of the team players an expectation of their annual cost and what that cost covers. During the season, team management is to provide a monthly schedule of cash in-flows and out-flows and, compare those figures to the budget amount. This can be done in many forms, but a template is provided, on the MAHA website, with instructions for its completion. To be clear, even though the report is a schedule of "cash" flows, NO payments are expected to be made in cash; and, a detailed receipt is to be retained to support all payments made. The resulting monthly report should be distributed to the parents of the team members and to the Association Board of Directors, with a copy of the bank account statement for that month, for review. This report should be available to these recipients by the 10th of the month, or at least prior to the date any future payment is expected.

Conflict of Interest & Confidentiality Policy

Section: Administration

Revised 7/7/19

It is in the best interest of the Michigan Amateur Hockey Association ("MAHA") to be aware of and properly manage conflicts of interest. This Conflict of Interest Policy ("Policy") is designed to help board members, staff and volunteers of the MAHA identify situations that present possible conflicts of interest and to provide the MAHA with a procedure whereby such potential conflicts may be reviewed by an appropriate party when necessary. This Policy is intended to supplement but not replace any state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

1. **Conflicts of Interest Defined.** In this Policy, a person with a conflict of interest is referred to as an "Interested Person." For purposes of this Policy, the following circumstances shall be deemed to create a Conflict of Interest:

- a. A director, officer, staff or volunteer, including a board member (or family member of any of the foregoing) is a party to a contract, or involved in a transaction with the MAHA for goods or services.
- b. A director, officer, staff or volunteer, (or a family member of any of the foregoing) has a material financial interest in a transaction between the MAHA and an entity in which the director, officer, staff or volunteer, or a family member of the foregoing, is a director, officer, agent, partner, associate, employee, trustee, personal representative, receiver, guardian, custodian, or other legal representative.
- c. A director, officer, employee or volunteer, (or a family member of the foregoing) is engaged in some capacity or has a material financial interest in a business or enterprise that competes with the MAHA.

Other situations may create the appearance of a conflict, or present a duality of interests in connection with a person who has influence over the activities or finances of the MAHA. All such circumstances should be disclosed to the board or staff, as appropriate, and a decision made as to what course of action the organization or individuals should take so that the best interests of the MAHA are not compromised by the personal interests of stakeholders in the organization.

Gifts, Gratuities and Entertainment. Accepting gifts, entertainment or other favors from individuals or entities can also result in a conflict or duality of interest when the party providing the gift/entertainment/favor does so under circumstances where it might be inferred that such action was intended to influence or possibly would influence the interested person in the performance of his or her duties. This does not preclude the acceptance of items of nominal or insignificant value or entertainment of nominal or insignificant value which are not related to any particular transaction or activity of the MAHA.

2. **Definitions.**

- a. A "Conflict of Interest" is any circumstance described in Part 1 of this Policy.
- b. An "Interested Person" is any person serving as an officer, member of the Board of Directors, staff or volunteer of the MAHA or a major donor to the MAHA or anyone else who is in a position of control over the MAHA who has a personal interest that is in conflict with the interests of the MAHA.
- c. A "Family Member" is a spouse, parent, child or spouse of a child, brother, sister, or spouse of a brother or sister, of an Interested Person.

Conflict of Interest & Confidentiality Policy

Section: Administration

Revised 7/7/19

d. A "Material Financial Interest" in an entity is a financial interest of any kind, which, in view of all the circumstances, is substantial enough that it would, or reasonably could, affect an Interested Person's or Family Member's judgment with respect to transactions to which the entity is a party.

e. A "Contract or Transaction" is any agreement or relationship involving the sale or purchase of goods or services, the providing or receipt of a loan or grant, the establishment of any other type of financial relationship, or the exercise of control over another organization. The making of a gift to the MAHA is not a Contract or Transaction.

3. Procedures.

a. Prior to board or committee action on a Contract or Transaction involving a Conflict of Interest, a director or committee member having a Conflict of Interest and who is in attendance at the meeting shall disclose all facts material to the Conflict of Interest. Such disclosure shall be reflected in the minutes of the meeting. If board or committee members are aware that staff or other volunteers have a conflict of interest, relevant facts should be disclosed by the board member or by the interested person him/herself if invited to the board meeting as a guest for purposes of disclosure.

b. A director or committee member who plans not to attend a meeting at which he or she has reason to believe that the board or committee will act on a matter in which the person has a Conflict of Interest shall disclose to the chair of the meeting all facts material to the Conflict of Interest. The chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.

c. A person who has a Conflict of Interest shall not participate in or be permitted to hear the board or committee discussion of the matter except to disclose material facts and to respond to questions. Such person shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.

d. A person who has a Conflict of Interest with respect to a Contract or Transaction that will be voted on at a meeting shall not be counted in determining the presence of a quorum for purposes of the vote.

e. The person having a conflict of interest may not vote on the Contract or Transaction and shall not be present in the meeting room when the vote is taken, unless the vote is by secret ballot. Such person's ineligibility to vote shall be reflected in the minutes of the meeting.

f. Interested Persons who are not members of the Board of Directors of the MAHA, or who have a Conflict of Interest with respect to a Contract or Transaction that is not the subject of Board or committee action, shall disclose to the Chair, or the Chair's designee, any Conflict of Interest that such Interested Person has with respect to a Contract or Transaction. Such disclosure shall be made as soon as the Conflict of Interest is known to the Interested Person. The Interested Person shall refrain from any action that may affect the MAHA's participation in such Contract or Transaction.

In the event it is not entirely clear that a Conflict of Interest exists, the individual with the potential conflict shall disclose the circumstances to the MAHA President or the MAHA Executive Vice-President, who shall determine whether full discussion before the applicable board or committee is warranted or whether there exists a Conflict of Interest that is subject to this policy.

Michigan Residency Requirements Policy

Section: Registration

Revised: March 15, 2022

This policy is designed to standardize the process of establishing residency. The Policy addresses a participant's residence requirements and how MAHA will look at residency for the purpose of hockey in Michigan. In an effort to reduce the potential of any problem regarding where a Player resides for any purposes the following Policy is applicable:

- MAHA looks first to the residency of both the player's parents as the player's primary residence. There may be exceptions to this rule in the case of divorce or billeted players, but these players must be brought to the attention of the MAHA registrar, in writing prior to the Roster being submitted for approval. In the event the player does not live with both parents, MAHA can request additional information necessary to determine the player's primary residence.
- If the address on the roster is not the one where the player "lives" with both parents, you must bring the matter affirmatively to the attention of the MAHA Registrar, in writing, and obtain a ruling as to where the Player resides prior to the Roster being submitted. "Lives" for this purpose means: "eats, sleeps, attends school and performs normal daily activities from that address".
- It is the general intent of this Policy that no player may have more than one residence for the purposes of hockey. Therefore, any player who did not play for a Michigan team the previous regular season must identify themselves to the MAHA Registrar that they meet the residency requirements outlined here or they will be considered an out-of-state player. If they wish to apply to be deemed an in-state player, the MAHA Registrar will provide further direction for completing the approval process.
- No player may create a residence for the purpose of playing hockey. Temporary or limited guardianships are not permitted or recognized by MAHA as residence in Michigan.
- The player/parents shall have the burden of proving residence, and MAHA Rule II Registration and Rostering: Participants and Teams Paragraph J is especially important in this context. For Tier I teams, "district" refers to Michigan. If a player's residence is not with the parent(s), and the player's current residence was necessitated for the purposes of playing hockey, the presumption is that the player does not meet the residency requirements outlined in this policy.
- If a participant's parents are in the process of relocation to Michigan, documentation such as letters from the parents' employers, home listings and purchase agreements could be useful documentation showing intent to relocate. If approved as a resident, further documentation throughout the year may be required to prove residency has been fully established. As a general policy, the player must move with the people he/she was living with previously (full and complete move) in order for a relocation to meet the requirements of this Policy.
- Players who establish residency and are playing in Michigan for the first year may be asked to provide documentation throughout the year to prove that the player is still going to school in Michigan and that he/she continues to meet the residency requirements.

Michigan Residency Requirements Policy

Section: Registration

Revised: March 15, 2022

Application Process

- An out of state player seeking a change of status to become a Michigan Resident must contact their Association / Organization Director and receive permission to access the application on the MAHA website. The application must be completed and the appropriate documentation as proof of residency detailed in the MAHA Residency Policy (see below) must be attached. The Association / Organization shall review the application to ensure all information is true and accurate.
- Annually the MAHA President will appoint a committee to review the applications and make a recommendation to the MAHA Executive Board based on the MAHA Residency Policy criteria included in this document. The Committee may request additional information and gather input from other sources to ensure the accuracy of all information provided.
- The Committee will meet in a timely manner to make a recommendation and forward to the Executive Board at their next scheduled meeting. The player must be approved as a Michigan Resident before being added to the roster as an in-state player. If Michigan Residency is not approved the player would be eligible to re-apply to prove Michigan Residency prior to the next season.
- If after reviewing any documentation submitted to prove residency, the MAHA Executive Committee or the State Playoff Committee deems a player a non-resident, the affected organization may challenge that ruling under the standard applicable to contest an Administrative Action under USA Hockey Bylaw 10.C. The affected organization shall notify the MAHA President who shall appoint a Committee of impartial parties to review the challenge.

Michigan Residency Requirements Policy

Additional Player Requirements for Tier 1 Players

- Tier I organizations are limited in the number of non-Michigan (out of state) players per organization.
- Non-Michigan players will be defined as players who were rostered with USA Hockey outside of Michigan during their first regular season of play after the 8U age classification.
- Once a player is considered/determined to be an out of state player, that player will be considered an out of state player no matter how long they play in Michigan.
- A player whose entire family has moved to and become residents of the state of Michigan for reasons other than to play hockey, **may apply for acceptance as a Michigan resident player during the second regular season following their relocation.**
- Applications for players in the 12U, 13U, 14U, 15O, 16O and 18U age classifications may be submitted beginning in February of each year and through the month of August. The player must be approved as a Michigan Resident before being added to the roster. If Michigan Residency is not approved by December 31st, the player can play on a Michigan Tier I team that season but would be considered an out of state player per the MAHA allowance for that age classification for that season. The player would be eligible to re-apply to prove Michigan Residency prior to the next season.
- As no out of state players are allowed in Tier I at the 10U and 11U age groups, players in those age groups will be allowed to apply for Michigan Residency from February through December. The player must be approved as a Michigan Resident before being added to the roster.

This is the Policy that MAHA uses to determine the residence of a player participating in Michigan. Failure to comply may result in the disciplinary action of the Player and/or Team and/or Organization.

Video Review Policy for Supplemental Discipline

Section: Administration

Approved: July 12, 2019

The Michigan Amateur Hockey Association (MAHA) is committed to ensuring the safety of participants at all ages and skill levels. With the increasing availability of video provided by rink-based programs and partners, and parent or club affiliated resources, for the 2023/24 season, we are entering a trial period of utilizing video review specifically as a means of determining whether an on-ice action caught on video, but not penalized by officials, is deserving of a formal review process for potential supplemental discipline. MAHA will NOT use video review for the purpose of changing any on ice call.

Video submitted for potential review by MAHA, will only be accepted/considered if presented by a member Association or Club. (No individual or parent submissions will be accepted.) The following process shall be followed:

- Upon review by the Association or Club leadership, and determination that a request for further action is requested, the Association's President or Club's Manager must complete the "Video Review Request" form.
- Completed form must be sent within 48 hours to VPOfficials@MAHA.org. Form must be submitted with a \$100 check. (If the video is accepted and supplemental discipline is assessed, the check will be returned. If the video does NOT result in a hearing to determine additional discipline, the \$100 check will be considered a fine to the organization that submitted the video.)
- Upon receipt, the Vice President of Officials will review and determine if the actions shown on video warrants further review.
- If further review is deemed warranted, a review process will be undertaken by a Video Review Committee (the "VR Committee). Video Review Committee consists of VP of Officials, District Referee in Chief of affected district and a District Director of the affected District.
- The Video Review Committee will make a recommendation to the MAHA Executive Vice President who will make the final determination on conducting a supplemental discipline hearing and assign it to the proper District who will conduct the hearing.
- Supplemental Discipline will not be imposed unless and until a hearing has been conducted with the player, coach or parent that is the subject of the request.
- Discipline administered by MAHA will be imposed immediately and the subject of supplemental discipline will retain all appeal rights as provided for in the MAHA Guidebook and USA Hockey Bylaw 10. (Any discipline assessed will not be delayed while an appeal is in process.)

The procedures outlined here represent the complete MAHA Video Review Policy for the 2019/20 season. The policy MAY or MAY NOT be adopted permanently after the coming season.

Standardized Discipline Policy for Match Penalties

Section: Playing Rules

Approved: July 8, 2021

At the 2021 Annual Congress, USA Hockey adopted a Standardized Discipline Policy addressing Match Penalties (“USA Hockey SDP”). The USA Hockey SDP established suspension range recommendations for match penalties to serve as a means to create consistency in the application of suspensions involving players or team officials assessed match penalties. Any match penalty assessed under USA Hockey Playing Rule 601(f.1) (physical Assault of Official) is excluded from the USA Hockey SDP. The USA Hockey SDP sets forth a procedure that may be adopted by the Affiliate in each instance when a match penalty is assessed.

MAHA adopts the USA Hockey SDP to the extent that it does not conflict with MAHA Bylaws and Rules and Regulations. To the extent there is a conflict, the MAHA Bylaw, Rule or Regulation applies. Under MAHA Bylaw 6, MAHA District Councils act as the disciplinary action committee for the designated District and the Chair of each District assists the MAHA Executive Committee, Officers and Board of Directors in any and all matters concerning his/her home District, including the administration of disciplinary hearings under USA Hockey Bylaw 10 and MAHA Bylaws and Rules/Regulations.

When a match penalty is assessed, the official(s) will submit the incident report to the Chair of the affected District. The Chair of the affected District will review the report and make a preliminary determination of one of the following:

1.) The incident report is accurate, and the proper application of the rule(s) has been implemented. The action warrants the suspension as outlined in the policy. The offending party is then notified of this finding and offered the opportunity to accept the suspension or reject the decision and request a hearing. If a hearing is requested, the hearing shall be offered in accordance with Playing Rule 405(c) and with USA Hockey Bylaw 10D (Suspension Hearings/Domestic Competition Playing Rules). If the offending party requests a hearing under this section, the hearing body may, as a result of that hearing, reduce the suspension, maintain the suspension or increase the suspension imposed.

-or-

2.) The incident report was determined to be inaccurate (mis-application of the rule(s) or wrong player identified), in which case the matter shall be turned over to the proper authorities as determined by the Chair or other designated representative for further review.

-or-

3.) The incident report is accurate, and the proper application of the rule(s) has been implemented. However, the action and/or history warrants further disciplinary review. The proper authorities as determined by the Chair or other designated representative shall notify the offending party that a hearing shall be conducted in accordance with Playing Rule 405(c) and USA Hockey Bylaw 10D (Suspension Hearings/Domestic Competition Playing Rules).

MAHA adopts this Policy with the intention to create consistency in assessing discipline related to Match Penalties and provide an efficient manner to handle discipline related to Match Penalties. MAHA expects the Chair of each District to follow this Policy and work with the MAHA Executive Committee and other District Chairs to provide consistent outcomes related to Match Penalty discipline. If a particular player or team official is a repeat offender in the MAHA disciplinary system or the conduct alleged to have occurred results in injury to another participant or is otherwise serious, MAHA expects that the Chair or other designated representative will set the matter to a hearing and not provide the option of an agreed upon suspension without a hearing.

USA Hockey Standardized Discipline Policy – Match Penalties

USA Hockey has established suspension range recommendations for match penalties. These suspension ranges shall serve as a means to create consistency in the application of suspensions involving players or team officials assessed match penalties. The following procedure shall be followed by the proper authorities as determined by the Affiliate in each instance when a match penalty is assessed.

(Note) Any match penalty assessed under Rule 601(f.1) (Physical Assault of Official) is excluded from this policy. Original jurisdiction in any hearing resulting from a match penalty assessed under Rule 601(f.1) (Physical Assault of Official) shall reside with the Affiliate and is governed by USA Hockey's "Resolutions of Disputes, Arbitration and Suspensions" section of the current USA Hockey Annual Guide.

When a match penalty has been assessed, the official(s) will submit the required incident report to the proper authorities as determined by the Affiliate. The proper authorities as determined by the Affiliate will designate an individual who shall review the report and make a preliminary determination of one of the following:

1.) The incident report is accurate and the proper application of the rule(s) has been implemented. The action warrants the suspension as outlined in the policy. The offending party is then notified of this finding and offered the opportunity to accept the suspension or reject the decision and request a hearing. If a hearing is requested, the hearing shall be offered in accordance with Playing Rule 405(c) and with Bylaw 10D (Suspension Hearings/Domestic Competition Playing Rules).

(Note) If the offending party requests a hearing under this section, the hearing body may, as a result of that hearing, reduce the suspension, maintain the suspension or increase the suspension imposed.

-or-

2.) The incident report was determined to be inaccurate (mis-application of the rule(s) or wrong player identified), in which case the matter shall be turned over to the proper authorities as determined by the Affiliate for further review.

-or-

3.) The incident report is accurate and the proper application of the rule(s) has been implemented. However, the action and/or history warrants further disciplinary review. The proper authorities as determined by the Affiliate shall notify the offending party that a hearing shall be conducted in accordance with Playing Rule 405(c) and Bylaw 10D (Suspension Hearings/Domestic Competition Playing Rules).

In all instances where a player or team official has been suspended for a period of time as a result of a match penalty, the player or team official shall be prohibited from participating in all USA Hockey activities for the length of the suspension. The required game(s) suspensions shall include the next regularly scheduled games that appear on the schedule of their team at the time of the incident. A player or team official who is rostered on multiple USA Hockey registered teams must serve the suspension in full before they are permitted to participate on any other USA Hockey registered team, unless otherwise specified by the proper authorities as determined by the Affiliate.

For the purpose of this policy, there shall be three levels of standardized suspension. They are:

Level 1 – Match penalties assessed under the below rules have a recommended range of a 6 - 10

Locker Room Policy

Section: SafeSport

Approved: 9/28/2014

Locker Room Attendants:

It is the Policy of USA Hockey that all Affiliates, Districts, Leagues, and Local Hockey Programs have at least one (**MAHA Recommends Two**) responsible adult(s) monitoring the locker room during all team events to assure that only participants (coaches and players), approved team personnel and family members are permitted in the locker room, and to supervise locker room conduct. Any individual meetings with a minor participant and a coach in a locker room shall require a responsible adult be with the coach. Further, Responsible Adults (must have completed SafeSport training and the MAHA background check) must personally monitor the locker room environment while players are present and also make sure the locker room is appropriately secured during times when players are on the ice.

Associations/Clubs and/or Coaches found in violations of this policy shall be sanctioned in the following manner:

- 1) 1st offense; a one game suspension to the head coach
- 2) 2nd offense; a warning to the Association/Club and a one week suspension to the head coach
- 3) 3rd offense; the head coach and Association/Club representative shall attend a hearing which may result in further sanctions up to and including fines, suspensions and/or removal of an associations good standing within MAHA.

Teams, Leagues and Local Hockey Associations shall also comply with the USA Hockey Co-Ed Locker Room Policy. Please refer to the USA Hockey Guide Book under "Policies".

USA Hockey and MAHA have taken a very hard stand on this and consider the monitoring of Locker Rooms a Critical Responsibility of Adults in providing a safe environment for our players. We have had hearings within MAHA because of violations of this rule, which could have been prevented had this policy been followed. **Associations are being advised to have written policies in place that can be enforced regarding the monitoring locker rooms.**

Billet Policy

Section: Youth

Approved: August 12, 2021

It is recognized that some youth and junior hockey players do leave home to play hockey in a location away from their parents. In those circumstances, the organization or team typically arranges for the player to live with a host or billet family. Having youth players live outside their homes increases risk for abuse and misconduct to occur. All organizations and teams that arrange for players to live with billet families shall have written policies and procedures in place to govern the arrangement. All billeting policies and procedures shall be provided to the player's parents in advance of placing the player with the billet and shall meet the following requirements:

- Billet families and the player and player's parents shall all sign an agreement with the Member Program and/or team that they will comply with the terms and conditions of the Billet Policy, the USCSS Code and the USA Hockey SafeSport Handbook.
- MAHA strongly recommends that where the player is billeted, the player's parents shall sign and provide at a minimum a Delegation of Parental Powers (Guardianship is also acceptable) to the billet family adults to allow for them to make emergency medical and schooling decisions. (Example attached)
- Each Member Program or team shall have a billet coordinator who shall be responsible for overseeing compliance with the Billeting Policy, the USCSS Code and all USA Hockey SafeSport Policies.
- No more than two players may be housed with any one billet.
- Owners, coaches, team/program management, (this includes paid hockey directors, paid skills coaches) board members and staff are not allowed to host or billet players.
- Minors must be placed with a billet family and may not reside in an apartment or home solely with other players. Players that are 18 years of age or older and living in parent condo/apartment, these players still need to be identified and you need to show where they are from and where they are living. Again, you are making those arrangements, you need to monitor them.
- All adults living in the household of the billet family must be registered with USA Hockey, screened in accordance with the USA Hockey Screening Policy, and must complete the SafeSport Training. Proof that these requirements have been met must be received by the team's billet coordinator prior to the player moving in with the family.
- When making arrangements for players who are or will turn 18 to stay with a host family, you must still follow the billet protocol of having families screened and trained. The only thing you would not need is the power of attorney or guardianship if the player is over 18.
- It is strongly recommended that all billet families be two-parent homes. However, single parent billet families may be acceptable, but the organization or team shall take additional reasonable steps to regularly monitor the billeting arrangement and its compliance with the USA Hockey SafeSport Policies.
- The Member Program or team shall have a mandatory curfew for all billeted players. The host family may have an earlier curfew.
- Players must agree to comply with the house rules of the billet families, including curfews, chores/ cleaning, telephone usage, etc. Complaints about unusual rules shall be addressed with the Member Program/team billet coordinator.
- Players shall not stay overnight at any other home except with the permission of the player's parents and advance notification to the billet family and Member Program or team billet coordinator.
- Players are not to drive billet family vehicles without automobile liability insurance as required by applicable state law, and documentation and approval of the billet family.
